Alton Growing

(Continued from Page 1)

for corruption, they have criticized Alton for increased spending. Watt concedes that taxes are up (from 73-80-cent rate in 1958 to 77.76 in 1960 with total assessment also higher), but he urges a more thorough analysis. In an interview with the Press-Record, Watt said spending has risen, due to such factors as pay raises, price increases and a larger population to serve. But many more services are being rendered, and still others are being done more efficiently, he believes. Also, while the Alton managerial election was passed in February, 1957 and he arrived the next January, the old council system remained in effect until March 1959.

Competitive Bids

"One of the first things we did was to put purchasing on a bid basis," Watt related. "Formerly, each department bought what it needed. Purchasing was not done centrally, or on a competitive bid basis, as now. We know that many thousands of dollars have been saved. "Alton has had a tremendous number of annexations, starting in July 1958, and I think this is an expression of increased confidence in the city government. First, we annexed Laclede Steel and Alton Boxboard, heavy industries that for years would not join the city. "In 10 annexations during 1960 we added 43 acres to the city. In 1959 we added 1629 acres, and in 1958 we annexed 383 acres. Since the summer of 1958, Alton has added 3.8 square miles and between 10,000 and 12,000 people, again making it the No. 1 city in Madison county." (Editor's note: Granite City had been first in population since 1955 but is now second.)

Street Cleaning, Zoning

"We are carrying on a much, much greater program than the city ever did before," the manager continued. "Brand-new services include street cleaning, preparation of a comprehensive plan for the future, a zoning ordinance and tree trimming. There are much higher standards of maintenance for such facilities as the city hall and fire stations. "We have better street maintenance and better handling of traffic. We have started a sewer cleaning, repair and maintenance program. In addition to increasing employee salaries, we have implemented, for the first time in a long time, the full provisions of civil service for job security. "Why is a city manager needed? Is the job as complex as that of a school superintendent? While not downgrading the task of administering school districts, Watt feels that city management is different but no less challenging assignment.

"Complicated Job"

"Operating a city has become a tremendously complicated job. There is urban renewal, sewer expansion, sewage treatment, the problem of traffic and the problem of overcrowding in cities." Is this just because some citizens expect more municipal services? It is not that simple, Watt says. "It used to be a stable situation, but the population increase has changed all that. "Police and other employees in Granite City have been told, "A manager would take away your civil service." Are such misrepresentations the reason why some cities vote the proposal down? This is a major reason, Watt believes, but he also points to the Illinois law, which differs with many states in that it gives incumbent officials more opportunity to block or delay manager government.

"The experience in Illinois generally has been that the proposal was defeated the first time it passed the second time. This is largely due to a lack of full information for the public." Examples of misinformation he cited are allegations of mass firing—none in Alton—and anti-union pressure. "Watt feels there is a mutually satisfactory relationship with four city employee locals. "Council 1st, Manager 2nd. Admittedly a biased witness, Watt points to the rapid growth in the number of manager cities and the decline in other forms of city government. Is he a dictator? The mild-mannered, bespectacled administrator does not think so. "Over 34,000,000 people are living under this system. Under council-manager the council comes first and the manager second."

Illinois manager cities in the latest tabulation are Alton, Arlington Heights, Bloomington, Brookfield, Centralia, Champaign, Crystal Lake, Decatur, Deerfield, Elgin, Elmhurst, Glenview, Park, Evanston, Glenside, Galesburg, Glenview, Greenvale, Highland, Highland Park, Hinsdale, Homewood, Joliet, Kenilworth, LaGrange, Lake Forest, Lombard, Macomb, Maywood, Mount Prospect, Mount Vernon, Northbrook, Northlake, Oak Lawn, Oak Park, Palatine, Park Forest, Park Ridge, Peoria, Princeton, Riverside, Rock Island, Salem, Savanna, Skokie, Villa Park, Westchester, Western Springs, Wilmette, Winnetka, Wood River and Woodstock. for a downtown Halloween parade.

Roofing Bids

Bids received from Quad-City Roofing Co. amounted to \$3286 for repairs to the city hall roof and \$6582 to completely reroof the building. No other bids were obtained. Two proposals were received to buy the abandoned city scale located in the alley off 19th street at the old downtown fire hall. J. D. Bergfield Real Estate Co. offered \$225, while Irvin Schaefer bid \$125. The roof proposals were referred to the City Hall committee, and the scale bids to the fire and water committee.

Permission was given for relocation of an alley entrance in the 1800 block of Cleveland Blvd. between a service station and skating rink. The alley now runs off at a 45-degree angle and is to be changed to 90 degrees. Bids rejected proposals to adopt manager government in the past year.

Referendums on continuing or abandoning the manager plan were held in four Illinois cities, Wood River, Evanston, Peoria and Savannah, with all four voting to retain the manager plan.

Code of Ethics

Since merits of the system are in dispute, how would city managers get their message across to the public? Some feel that wider dissemination of their official code of ethics would be enlightening. "To achieve effective and democratic local government, the council-manager plan provides that policies shall be determined by the governing body elected by the people and that the administration of such policies shall be vested in the city manager, who shall be appointed by and responsible to the governing body. "The purpose of the International City Managers' Association, the professional organization of city managers, is to increase the proficiency of city managers and to aid in the improvement of municipal government. To further these objectives, the association believes that certain ethical principles should govern the conduct of every professional city manager: 1. No member of the profession accepts a position as city manager unless he is fully in accord with the principles of council-manager government and unless he is confident that he is qualified to serve to the advantage of the community. 2. The manager has a firm belief in the dignity and worth of the services rendered by government. He has a constructive, creative and practical attitude toward urban problems and a deep sense of his own social responsibility as a trusted public official. 3. The manager is governed by the highest ideals of honor and integrity in all his public and personal relationships in order that he may merit the respect and confidence of the governing body, of other officials and employees, and of the public which he serves. He believes that personal aggrandizement or profit secured by confidential information or by misuse of public time is dishonorable. 4. The city manager as a community leader submits his policy proposals to the council and provides it with facts and advice matters of policy to give it a basis for making decisions on community goals. He defends municipal policies publicly only after consultation and adoption of such policies by the council. 5. He realizes that the council, the elected representatives of the people, is entitled to the credit for the establishment of municipal policies. He avoids coming in public conflict with the council on controversial issues. Credit or blame for policy execution rests with the city manager. 6. He considers it his duty continually to improve his ability and his usefulness and to develop the competence of his associates in the use of management techniques. 7. He keeps the community informed on municipal affairs. He emphasizes friendly and courteous service to the public. He recognizes that the chief function of the local government at all times is to serve the best interests of all the people on a non-partisan basis. 8. The manager, in order to preserve his integrity as a professional administrator, resists any encroachment on his responsibility for personnel, believes he should be free to carry out council policies without interference and deals frankly with the council as its individual member. 9. He handles all matters of personnel on the basis of merit, fairness and impartiality, governs the manager in all matters pertaining to appointments, promotions, dismissals, and discipline in the municipal service. 10. He carries no favors. He handles each problem without discrimination on the basis of principle and justice."

Mayor Davis was instructed to collect the \$300 annual license fee due in May for Toby's Lounge, a tavern at 1539 Madison avenue. Alderman Gaughan said the city was criticized for the meager decorations along Madison avenue for the Monday visit by Sen. John F. Kennedy. Democrats have been adding to their decorations over a period of years, and Granite City was just beginning. "We realize there was not enough, but this was our first experience and we have to do it gradually. "We're being criticized by Republicans for decorating and by Democrats for not decorating enough. "Clarence Meyenber, community affairs chairman for Moose Lodge 272, was given permission for the club to hold its annual Halloween parade through the business district, starting at 7:30 p. m. Oct. 31. The route will be the same as in past years—starting on Niangua street, going east to State street, south to 19th street, west over 19th street to Niangua street and east to return to the city hall. HARRY Recognized Mayor Davis gave special recognition to six members of the Board of Fire and Police Commissioners that Police Patrolman Leo Willis had completed his six-month probationary period in August. The aldermen were advised by City Atty. Beatty to submit polling place locations this week for the Oct. 24 city manager special election. "If we don't get them this week, there won't be an election," he advised.

A charge of failing to observe a stop sign was placed against Jerry W. Henderson, 21, of 2121 Cleveland blvd., who police said was involved in an accident yesterday afternoon at 23rd street and Delmar avenue.

The other car, operated east on 23rd street by Anton Koberczki, 58, of Collinsville, went out of control and jumped the curb, knocking down a street sign and crashing into a tree. The Collinsville motorist escaped injury.

The report shows Henderson was driving north on Delmar avenue. He was released on \$11 cash bail.

Mrs. Ida Mehl, 84, New York City, mother of William Mehl of St. Louis, owner of the Save-Mor Super Market, 1508 Third street, Madison, passed away early Wednesday morning at a New York nursing home after an illness of six months.

Mrs. Mehl was preceded in death by her husband, Samuel Mehl, 14 months ago. Besides her son here, she leaves a son, Max, and a daughter, Mrs. Herbert Fleischmann, both of New York, and grandchildren and great - grandchildren. Mehl attended funeral services and burial in New York yesterday afternoon.

A hit-and-run car damaged the front bumper of the parked auto of William J. Moser, 24, of 753a Twenty-seventh place in front of 1431 Fourth street, Madison, at 3:04 a.m. Wednesday.

Charged with murdering a 73-year-old West Madison man on June 11, Willie Lee Jones, 37, St. Louis, was found innocent last night in the court of Circuit Judge James O. Monroe jr. The jury deliberated for an hour after receiving the case at 7 p. m.

During the trial, Jones testified in his own defense. He pleaded self-defense, saying Henry Spencer, 904 Jefferson street, struck him and aroused fear in him. Spencer was stabbed nine times with a pocketknife.

Selection of a jury of seven women and five men began Monday and was completed at 5:20 p. m. that day. Assistant State's Attorney John Gitchoff presented evidence Tuesday and Public Defender Austin Lewis handled the defense yesterday.

In other cases set for jury trial Monday, Charles Thomas Howland and Jerry Hutchison, both 17 and both of Madison, pleaded guilty to burglary and Thomas L. Hall, 17, and Johnnie L. Foster, 18, both of Eagle Creek, pleaded guilty to

Parl. Acres, pleaded guilty to burglary-larceny. All four sought probation, and Judge Monroe set hearings on the requests for 9:30 a. m. Oct. 14.

Trial of a murder charge against Walter Lee James, 59, of 710 Jackson street, West Madison, set for Monday, was continued until the next term of court on an application by the defendant. He is charged with the fatal shooting of Mary Jefferson, 52, Venice, on June 3.

Members of Local 50 of the International Chemical Workers Union will attend an eight-week program of classes on "Steward's Training" beginning Oct. 13 at Granite City high school. The local's members work in the blast furnace division of Granite

The classes will be held from 7 to 9 p. m. on eight consecutive Thursdays through Dec. 8 in Room 102 of the high school.

The series will be conducted by the University of Illinois Institute of Labor and Industrial Relations and the Division of University Extension. The instructor will be A. J. Wann, U. of I. professor of labor and industrial relations.

Local arrangements are being made by Lawrence Bennett, recording secretary of Local 50; George R. Churovich, business agent of the Local; and Edison Phelps, local president.

Registration for the series will be conducted at the first class meeting by Fred Steuernagel, East St. Louis, U. of I. Division of University Extension field representative.

The Roca Young Men's club made Tuesday night's 10th anniversary fete and Homecoming one of giving, of remembrances and of thanks, as is appropriate at birthdays.

There were plaques, scrolls and special gifts for those who have played important roles in the growth and development of the youth organization, an affiliate of the Loyd Order of Moose.

And there was a \$100 contribution to the Tri-Cities

Area United Fund. The money was raised by the members themselves, as the organization is self-sustaining, accepts no gifts or grants. Income derives from fish fries and a multiplicity of activities.

The \$100 gift, in truth, represented the club colors, yellow and black. There were refreshments.

Speakers lauded the achievements and the aims and goals of the club, recruited from young men from 14 through 18.

Warriors, With Only One Win In Three Games, Host Alton Friday; Both Are Winless In SWC

Touchdown hungry Granite City will meet Alton, which outplayed East St. Louis everywhere on the scoreboard last Friday, on the Warrior gridiron at 8 p.m. tomorrow. Both schools will be seeking their initial triumph in the Southwestern football conference this year.

Borkman Fracture Kne
Granite City's hopes of breaking into the SWC win column were dealt a blow of considerable proportions yesterday afternoon when Bret Borkman, tabbed to start at quarterback tomorrow night, suffered a dislocation and fracture of his right knee joint in scrimmage.

Borkman, a junior who was to get his second starting assignment, was tackled as he failed to pass in drills Wednesday. Taken to St. Elizabeth's Hospital, he was admitted and a cast was applied to his right leg and pelvis after x-rays disclosed the fracture. Coach Andy Sullivan said he expects him to be out for the remainder of the season.

Sullivan had planned to use Jerry Wallace at right halfback tomorrow night, but said this morning the senior will be moved back to the signal-calling position, where he played regularly earlier in the season.

Other backfield shakups necessitated by Borkman's injury include the moving of Ken Berry to right halfback to replace Wallace. Berry will start in his regular position at fullback while the right halfback will be John Allen, the Warriors' most effective runner against Collinsville.

The Warriors were dumped ungracefully in Collinsville last week, 24-0, while Alton felt victim to an aerial barrage and lost to the Flyers for the 21st consecutive season, despite outdaring

East St. Louis in almost every statistical department.

Shut out twice, once by Assumption in the season opener and again by Collinsville last week, Granite City has been held to score only one touchdown in three games. That one stood out in a 7-0 win over Madison two weeks ago.

The defeat at the hands of the Flyers was Alton's first loss of the season. Two victories include a 7-0 decision over St. Louis U. high school and an 18-6 victory administered to smaller cross-town rival Marquette.

Coaching Strategy
Opposing coaches in Friday's game, Ralph McClain of Alton and Sullivan of Granite City, both feel that major problems in preparing their squads lie elsewhere than in the morale department, although being whitewashed never helps team spirit.

"We have to stop their fast backs," said Sullivan. "If they get around us or behind us, we're done. They're not supposed to have much of a passing game, and no pass defense was what killed us last week."

McClain was concerned with Granite City's offensive patterns. "Our scouting reports show that they use a lot of variations off

the T-flankers and back blocks—our big problem is finding a different defense for each of them," he opined.

End Bob Haffek, shaken up in both of the Warriors' last two games, will sit one out Friday night, or see little action at best. His replacement will be John Gruboski, whom Sullivan will convert from a halfback for this game. Gruboski is slightly hobbled with a swollen ankle, which he played on in the Collinsville game, and may alternate with Jerry Sears.

Granite City's last win over Alton was a 7-0 verdict in 1958. Last year, the Redbirds flew home with a 28-6 decision, an all-time record for the Warriors.

will average about 161 pounds per man if Gates starts, and are capable of breaking away. Davis is the heaviest at 185.

End Bob Haffek, shaken up in both of the Warriors' last two games, will sit one out Friday night, or see little action at best. His replacement will be John Gruboski, whom Sullivan will convert from a halfback for this game. Gruboski is slightly hobbled with a swollen ankle, which he played on in the Collinsville game, and may alternate with Jerry Sears.

Granite City's last win over Alton was a 7-0 verdict in 1958. Last year, the Redbirds flew home with a 28-6 decision, an all-time record for the Warriors.

Sullivan Bypasses Selection of Back And Lineman; 'Blocking Was Awful'

Granite City Football Coach Arly Sullivan bypassed the selection of a "back and linemen of the week" early this week, stating frankly that "none of our boys played well enough to deserve it."

No movies were taken of the 24-0 loss to Collinsville last Friday, and Sullivan said he possibly might have made choices if a film had been shot and the coaching staff had had the opportunity to run over it, as has been done in previous weeks.

Sullivan said he decided to skip the usual procedure with only a sideline view of the game on which to base his choices. "A couple of the boys made several tackles, but our running game didn't look good because our blocking was awful," he commented.

The Granite City coach gave

his entire varsity squad a written test on blocking assignments Monday afternoon, setting up situations employing 12 of the Warrior running plays.

"On the average, the boys didn't know their assignments on five of the 12," Sullivan revealed. "You don't go anywhere when the hole that's supposed to be there is clogged up with the defensive tackle and the linebacker."

104 To Attend U. Of I. Homecoming Grid Game

One hundred and four Granite Cityans, making up a special party which will travel to and from Champaign by bus, will be among more than 71,000 football fans on hand at Memorial Stadium Saturday as Illinois meets Ohio State in a Big Ten football game.

The local group's trip to the Illinois homecoming game is sponsored by the Granite City Park district. Two chartered buses will begin picking up individuals at 7 a.m. Saturday and will leave for Champaign approximately noon hour later.

University of Illinois officials have announced that the Ohio State game is a complete sellout the first since 1956.

Tavern Playoff Semi-Finals Are Sunday Morning

The four teams remaining in the Tavern Slow Pitch Softball league playoffs following two weeks of elimination contests will go at it in semi-final contests Sunday at 10:30 a.m.

Regular season champion Sportman's club plays third-place finisher Jug's Highway at the 12th street diamond in Madison, while runner-up Briggs Tavern meets fourth-place Green Hall on the Lee Park layout in Venice.

Probable starting pitchers are Jim Goodrich for Sportman's, Oren Harrison for Jug's, Sonny Milonski for Briggs and Gene McMurry for Green Hall.

Sunday's losers will be eliminated; the winners will go on to one final playoff championship game the following weekend.

Boat Club Fund-Raising Project Continues

Members of the Bow Line Boat club will stage the second weekly turkey shoot on the club grounds near the Hartford Capital highway Sunday at 1 p.m.

The shoots, which will continue each Sunday afternoon through Nov. 20, are being sponsored by the boating club to help raise funds for the construction of a new club house.

Triad Stops Venice 5-3, Wins Title

Triad walked off with the Madison-Bond-Clinton Counties Conference fall baseball title Tuesday afternoon by handing Venice a 5-3 defeat on the hosts' home diamond at St. Jacob. It was the seventh straight win for the Black Knights, and produced their second consecutive conference championship.

The Red Devils bunched all three of their runs in the fifth inning after Triad built an early lead with four markers in the third and another in the fourth. Venice collected only four hits, including a pair of doubles by Louie Fitcher, John Corrie, Larry Gray and Noy Shambro added singles. Don Dewany was the Red Devil catcher. Corrie, Venice's leading hitter during the short season, gave up six hits Tuesday.

Venice defeated Worden, Bunker Hill and Livingston, while losing to Aviston, St. Paul, Highland, Westlin of Trenton and Triad. Despite the final 3-4 record, Zehn Welly team outscored the opposition 53-33.

Virginia Tech, Mississippi Southern, UCLA and Arizona State are the only non-conference football foes to be met next fall by North Carolina State.

GC Junior Achievement Center Opens On Monday

Granite City's Junior Achievement center at 2009 Madison avenue, officially "opens for business" Monday night, with 15 and possibly 16 student corporations scheduled to be organized.

High school students from Venice, Madison and Granite City will form the student firms which begin production of products for sale the following week. Junior Achievement representatives have completed visits to local high schools to explain the JA program, and one of the three program directors for JA of the Mississippi Valley, Joe Winkelman, said today that "tremendous response" to the idea has been forthcoming in the Quad-Cities.

"Starter" products have already been selected by adult company advisors, who come from nine firms in this area. The production and sale of these products, plus the election of company officers, will occupy

achievers on Monday through Thursday nights of next week.

Advising firms this year are A. O. Smith Corp., American Steel Foundries, Southwestern Bell Telephone Co., General Steel Castings Corp., Illinois Power Co., Granite City Steel Co., Dore Metal Products Co., Union Starch & Refining Co. and Lincoln-Mercury, the latter a new partnership.

Banking services at the local center, one of eight in the Mississippi Valley area, will be provided this year by the First Granite City National Bank.

The Granite City center, which has a capacity of four companies each evening, Monday through Thursday, currently has an opening for one firm. "We expect this vacancy to be filled shortly," Winkelman said. Beginning Oct. 17, the junior corporations will begin limited production, then expand into full-scale operation the following week. Louis Devitt is the center manager.

Madison City Hall To Be Winter-Proofed

Madison's municipal affairs were handled in a 30-minute fast-action session of the council last night.

But there were accomplishments. Contracts were awarded for city hall roof repairs and building insulation.

The Whitehead Insulation and Sales Co., St. Louis, on its bid of \$935, was given the contract for the insulation of the building.

Three bids were received for replacement of flat roof surfacing on the city hall. Winning bid which met specifications set by the council, was submitted by the Madison Paint Co., Cleveland, O. Total cost will be \$678.

Other bidders were the Quad-Cities Roofing Co., Granite City, and the Madison Roofing and Appliance Co., Madison.

Mayor Stephen Maers cited that, with the onset of crisp weather and winter winds, in-

Pleads Innocent

Pleadings of not guilty were entered yesterday by Arthur Stagner Jr., 36, of 2101 Lee avenue, on charges of aggravated assault and creating a disturbance, filed by Artillery attorney R. His bond was set at \$600 with trial on Oct. 19. He was taken into custody Tuesday evening at 2106 Lee avenue.

Insulation of city hall will result in all-over cuts in fuel bills. Keep police and city hall employees warmer and happier too, he surmised.

City Controller Edward J. Miller said that the present building flat-surface of the roof necessitated immediate attention.

In another action, the council allowed fortnightly bills. Regularly scheduled for Tuesday night the council meeting was set back a day due to Springfield session of the Illinois Municipal league. Tuesday, attended by numbers of city officials.

Demo Candidate Kennedy Makes Lasting Impression

The Democratic presidential candidate, Sen. John F. Kennedy, made a lasting impression on Quad-Citizens during his brief visit here Monday morning.

Many, who stood for hours—some time in a drizzling rain—expressed surprise that the candidate did not look tired and worn. Hundreds who shook his hand said they were delighted the way he "looked me in the eye" and "spoke directly to me."

Since his visit, it was learned that the candidate also was impressed with the reception he received in this area, and throughout southern Illinois.

Local police officials praised Quad-Citizens for their conduct during the hectic time when traffic was blocked and delays were encountered. Police Chief Raymond Willard said all available police officers were on duty in the three cities, aided by auxil-

Loses Legs In Rail Accident Venice Yards

With both legs severed above the knee when struck Tuesday night by a freight locomotive in the Venice-Brooklyn yards, a 23-year-old St. Louis man is in serious condition at Homer G. Phillips Hospital, St. Louis.

He is James Sills, 23.

His condition is such, a hospital attaché said today, that little information has been obtainable as to his employment or next-of-kin. He has remained semi-conscious since his admission Tuesday, following transfer

from the emergency ward of St. Elizabeth Hospital, Granite City. The St. Clair county sheriff's department report stated that Sills was struck and run down by a locomotive near Second street and Madison avenue, Brooklyn.

A companion, said to have been drinking, was arrested and held for a period at the county jail, in Belleville.

Witnesses to the accident summoned emergency vehicles. Both legs were severed, they said, and Sills was unconscious when removed from the tracks. Venice police were notified and called the St. Clair sheriff.

MORE ABOUT Farm Leader

(Continued from Page 1)

industry, are pricing themselves out of the market.

The speaker said that three generations ago the production of food and fibers required 85% of the country's population, but that the percentage has dropped to less than 10%, releasing more people for production of other items. "That's what resulted in our high standard of living. In backward countries, you'll find little progress has been made in agriculture."

Artificially established farm prices of a supply control program inevitably would lead to demands for tariff increases to prevent foreign competition, the national farm leader added.

"If farmers are interested in good income, they will not choose the supply control route. That approach failed before."

The farm depression that started in the twenties and continued through the thirties was a product of the kind of reasoning that led to the shrinking of farmers' markets and opportunities down to the domestic market, through the use of increased tariffs and, finally, attempts at supply control."

International Trade Needed

International trade is essential to today's farmer, Shuman said. Farmers favor a high level of mutually advantageous trade.

Farmers and the nation will benefit if agriculture is allowed to take the market price route. "If we are to realize the maximum potential of our economic system, which has made possible this nation's unparalleled progress, we must be willing to let competition work even though at times the results may be painful to individuals and groups."

"Unless market prices are allowed to guide production and consumption, production patterns will be frozen, resources will be unwise used and huge stocks of unwanted commodities will accumulate."

Adding that this country is close to socialism, Shuman said the next step could be the government nationalizing people's income. That's the road we're on. You have a decision to make. Are we going to run the government, or is the government going to run us."

"You have the power to change. The trend is in your hands, and all candidates for office promise more spending. Remember, the progress of this country is linked with a free choice economy, a free choice in politics, and a free choice in religion."

The annual Bi-A meeting was held at St. John United Church of Christ, Samuel L. Meyer, retiring C. C. president, presided, and entertainment was furnished by a barber shop quartet.

No Quorum—No Meeting

Due to an absence of a quorum, last night's scheduled meeting of the Venice park board was adjourned until Nov. 2. President William Ohlendorf Jr. said today.

Mrs. O'Leary's Cow Started Fire Prevention Week

When Mrs. O'Leary's cow kicked over the lantern in Chicago back some 89 years ago, she started a mighty big conflagration, out of which developed the yearly national observance of Fire Prevention Week. Fire Prevention Week is to be marked in the Quad-Cities the seven days beginning next Sunday, Oct. 9. Annual date is fixed to more or less coincide with the Chicago fire, which blazed from Oct. 8 to 11, 1871.

The fire prevention week is designed to alert homeowners, business, industry, commerce and the public to the hazards of fire. Its toll in lives and property, and to take preventive measures against blazes, large and small.

Dedicated to this proposition, local fire chiefs are going all-out in co-operation with the national program in school inspections, inspection of public buildings, and distribution of literature to householders.

Granite City's Fire Chief Elijah King and his staff are working to make Granite Cityans conscious of Fire Prevention Week.

Business, industry, commercial establishments and a multiplicity of other places are being placarded with 16 by 16 inch posters calling attention to the week ahead.

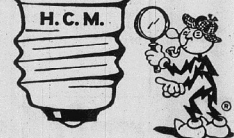

Chief King disclosed that fire drills are to be held in schools in furtherance of safety. Drill rehearsals were being held this week.

The chief said he and the entire force, 34 strong, are active in publicity work for Fire Prevention Week.

County Per Capita Assessment Among Highest In Illinois

Although its final report has not yet been issued, the 1960 census already is proving of value. Combined with Illinois Revenue Department records, it shows that Madison county taxable property is being assessed at an average of \$3503 a person, next to the highest among the major counties of Illinois and well above the \$3200 state average.

This is not to say that Madison county is being over-assessed, but it does point up the continuing assessment inequities resulting from lack of a scientific approach to the process of determining property values. It also offers food for thought, inasmuch as the average per capita assessment here is above that of all the comparatively wealthy counties in the Chicago suburban area.

The figures make it clear that this county is not benefitting from existing inequities, nor is it failing to pay its share of the cost of local government either through property taxes paid directly to local governmental agencies or through amounts of state aid.

This should answer unfounded criticism along this line from the northern counties. It is also interesting to note that the Quad-Cities account for over 30% of the county's total assessed valuation, and that the most highly industrialized areas — the Quad-Cities and Alton-Wood River — together represent more than 70% of the total assessment of Madison county's 24 townships.

Meetings Will Help Clarify Manager Issue In Granite City

Two dates that will be of interest to all Granite City residents are Oct. 12 and 18, when public meetings dealing with the managerial form of government will be conducted by the Citizens for Council/Manager Government group.

The Press-Record urges voters to attend these meetings and also any public gatherings that are announced by the proponents of the managerial proposal to be voted on Oct. 24.

At such meetings, they will be able to get information that should aid in determining how to vote on the issue. It will be in the public interest if this decision is made on the basis of facts and not on misunderstanding of the issues, in either direction.

Wartime Fight Against Lawlessness Continued During Peacetime

The eighth "bombing" mission of State's Attorney Dick H. Mudge Jr., last week, had a political flavor because the Madison county official was distributing circulars publicizing the local visit by his Harvard Law School classmate, Sen. John F. Kennedy.

But it also brought to mind the past aerial activities of Mudge and his more direct down-to-earth efforts that combined to rid this county of gangster-gamblers. Four years ago, Mudge flew his initial mission here, "bombing" the Club Prevue casino after 78 wartime flights, to focus the coun-

ty's attention on its target for the future — an atmosphere of law and order conducive to residential, industrial and business growth.

That ideal has become a fact during Mudge's tenure and he is running for re-election this fall on a record of performance. In some ways the "enemy within" is more dangerous than the "enemy without" — partly because its danger is not taken seriously by the average person. Mudge is still guarding against lawlessness, in peace as in war.

Venice Girl's Recovery One Of Happiest Stories of Year

In gathering the news for a community of 65,000, the Press-Record inevitably publishes a wide range of articles, running the full spectrum from joy to sorrow, from seriousness to humor and from minor to major importance.

One of the happiest stories of the year is that of Kathryn Yearman, 13-year-old Venice girl whose rapid recovery from open-heart surgery is a tribute both to the restorative powers of the human body and the skills and improved techniques of surgeons.

A few years ago, she would have faced a bleak future of poor health and limited activity. But today she is a carefree youngster, once again enjoying all the experiences and hopes of any typical eighth grade student.

It is said that a close brush with death leaves one seeing the sky a little bluer, everyday events a little more exciting and life a little richer than it otherwise would have been. Kathy Yearman's good fortune and new-found good health imparts something of that feeling to all.

Laws and commandments, in the minds of many people, were made to guide other people.

Narrowing Of 'Comprehension Gap' Would Benefit Society And Each Person

Writing in the current issue of the Quill magazine, Editor Charles C. Clayton notes that a new phase, the "comprehension gap," has been applied to the breach between the actual state of society and the average citizen's level of information about society.

While the educational system and communications media must shoulder some of the responsibility for this, Professor Leslie G. Moeller, journalism school director at Iowa State University, asserts that "most readers do not want complete information about public affairs, or at least they do not want it sufficiently to give it sustained attention when it is available or to seek it out if it is not readily available." He predicts that soon "an outboard motor will be more beloved than a book."

Since one's basic attitude toward life goes a long way toward determining the course of events, it is unfortunate when people short-change their attainments, enjoyment and service due to lack of awareness, curiosity or enthusiasm. The state of our society is far advanced, and each individual should strive to be informed about it.

It is comparatively easy to find an excuse for not doing what you do not wish to do.

Quad-City School Tally Of 17,097; 30% Of County

A whale of a lot of cities would like to be able to boast of a population of 17,097.

That's the school population — public and parochial — of Granite City, Madison, Venice and Mitchell and these 17,097 grade and high school pupils were assembled in ranks, there would be close to a division in the army counts its strength. Wilbur R. L. Trimpe, Madison county school superintendent, has tallied up the county enrollment for the 1960-61 term that got under way last month, and has arrived at total of 56,786 special teachers and others not counted under either or elementary or high school teachers.

In Madison county, Granite City's public school pupil population of 11,541 stands at the top of the tally, with Alton coming in second with 10,397.

Retailers Hallowe'en Poster Contest Prizes Total \$500

Cash prizes of \$500 are sure to inspire the artistic "muse" in Granite City Junior and senior high school pupils.

That's the sum to be awarded by the Associated Retailers and Civic Association, Inc., in the yearly Hallowe'en poster art contest, preparations for which are already under way in the schools. It is purposed primarily to provide an outlet and show case for young artists and to curb them from expressing their artistic inclinations in window souping on Hallowe'en.

Al Barnes, executive director of the retailers' organization said the association is working in close co-operation with schools for the 1960 Hallowe'en show. Fall themes and Hallowe'en motifs will dominate the entries. Last year, something like

FALL PLANS MADE BY GIRL SCOUT LEADERS

Neighborhood One, previously known as Neighborhood Four of the Tri-City Girl Scout Council, held the first meeting of the fall season Monday evening at the Venice-Madison American Legion Home, with the chairman, Mrs. Mary Massman, in charge.

The meeting was opened with prayer and a moment of silence in memory of the late Mrs. Mary Blumenstock, a troop committee member of St. Mark's Intermediate Girl Scout Troop 61. Mrs. Massman announced that a memorial has been sent to the Juliette Love Foundation at Savannah, Ga.

A recognition dinner for adult leaders will be held Oct. 13 at 6:30 p.m. at the First Presbyterian Church in Granite City. Tickets are available at the Girl Scout office. A discussion was held on first-aid classes to begin in the latter part of October. Six leaders will participate in the beginner class, and approximately 12 leaders in the advanced training course.

Mrs. Margaret Lee, Mrs. Mary Simmons, Mrs. Massman and Mrs. Leeverich Weston, all of Venice, and Mrs. Lucille Mossa of Madison will attend the National Girl Scout Convention to be held in St. Louis starting Nov. 14. Mrs. Mossa and Mrs. Weston will represent the council, and Mrs. Massman will be the honored delegate from this area for having served for three years as an active adult scout.

The fall cookie sale for Neighborhood One starts Oct. 29, with Mrs. Mary Simmons as chairman and Mrs. Marceline Olson as co-chairman. The cookie kick-off movie will be shown at the Madison theatre. Profits from the entire cookie sale will be used to pay the final installment on the lodge at Camp Lakota.

Awards will be presented to troops having the most sales. Members of Troop Five and Mrs. Jewel Barnes will assist Mrs. Simmons in filling envelopes for the sale.

Mrs. Betty McClanahan, who has recently moved to Madison from Livingston, Ill., will be co-leader with Mrs. Mary Waters, who is in charge of St. Mark's Brownie Troop 22. Mrs. Waters and Mrs. Massman attended a patrol and badge workshop Tuesday and today in Edwardsville.

Mrs. Barnes displayed handicraft work she had made, and the outdoor institute held at Camp Lakota during September. A social evening was held at the Venice leaders who were hostesses for the evening. Others present were Mesdames Verdello Ford, Loreta James, Zetta Mall, Josephine Fischer and Nadine Meedhan.

North Venice leaders will be hostesses at the November meeting to be held at Dunbar school classes.

St. Mark's Intermediate Girl Scout Troop 61 met Tuesday afternoon in the school basement with the co-leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger.

Records of each individual were reviewed, and plans were made to hold a swimming party jointly with St. Mary's Brownie Troop 98 at the YMCA on Oct. 14 under supervision of the leaders. A skating party will be held in Granite City Nov. 17.

A brief discussion was held on the cookie sale starting Oct. 29. Sewing will be taken up at the next meeting, following the decision of new officers. Meetings have been changed to Monday afternoons.

Attending were Mary Donna Scaturro, Marilyn Koenig, Virginia Pace, Kathy Ochoa, Sharon Parker, Bernice Koelker, Barbara Mulnick, Mary Frances Lee and two new Girl Scouts, Kay Willis and Charlotte Sherry.

A junior high meeting was held Sunday evening at the Venice Methodist Church with the president, Richard Patterson, in charge. Mary Jane Gray was in charge of the program, and the lesson, "The Bible and Its Use," was read by Karen Dillman.

Group singing was enjoyed, and games were played by the group. Those attending were Rev. and Mrs. Craig Dillman and daughter, Sharolyn, Kathy Yearman, Lee Gontelman, Margaret Taylor, William Gots and Kenny McMullen.

Mr. and Mrs. Albert Martin and daughter, Beverly, 431 Lincoln avenue, returned home Sunday evening from Manchester, Ill., where they had visited. Mr. and Mrs. Smith Jackson, and at the home of his brother-in-law and sister, Mr. and Mrs. Raymond Dobson and children, Clover and Eddie.

Neil Eberold left Sunday evening for Southern Illinois University, Carbondale, after visiting over the weekend at the home of his parents, Mr. and Mrs. William Eberold and son, Jim, 804 Third street.

REBEKAH GUEST NIGHT

"Guest night" was observed at the Venice Rebekah Lodge 770 at a meeting Monday evening at the Odd Fellows hall, with the noble grand, Mrs. Olga Robinson, in charge of a business session. Tentative plans were made for the group to attend a radio program in St. Louis in the near future.

The fifteen officers of the Rebekahs then introduced their guests and presented each with a gift. Juanita lodge of Granite City, Delray lodge of Madison and the St. Clair lodge of St. Louis were represented. Mrs. Minnie Armes of Madison, a Rebekah member, who is leaving to take up residence in California, was presented with a gift from the lodge.

A surprise party for the vice-grand, Mrs. Nell Montgomery, was held. She was presented with a gift from the lodge, after which a dessert luncheon was served by Mrs. Edith Carpenter, Mrs. Marge Purcell and Mrs. Martha Watson. Hostesses for the next meeting will be Mrs. Robinson and Mrs. Montgomery.

ATTEND FUNERAL

Mrs. and Mrs. Roger Davis, 1223 Jefferson avenue, returned home Monday evening from Marion, Ill., where they had attended the funeral of her brother, Charles K. Barkman.

A surprise pink and blue shower for Mrs. Betty Smith was given Tuesday morning by Mrs. Mary Slaby of Granite City at the Smith residence, 1228 Meridian street. Gifts were opened and displayed, after which games were enjoyed by the group. Prizes were awarded to all.

A dinner was served to Mrs. Teri Hill and son, Michael, of Granite City, Mrs. Mary McKinney and son, Bobby, of Madison, and Mrs. Grace Foley, Mrs. Fattie Foley, Mrs. Barbara Chappell, Mrs. Hazel Eaton and Mrs. Delores Hill, and son, Paul, all of Venice. Julia Smith, daughter of the honoree, also was present.

Boy Scout Troop One met Monday evening at the scout home under the supervision of Scoutmaster Harold Koelker. The application of Joe Howard was accepted. Guest for the evening was Jim Turner, a prospective scout.

Test passing toward the second-class badge was held. The meeting adjourned, and games were played on the Venice public school athletic field. Other boys present were Jerry Bartlett, Buddy Kowler, Mike Seagor, Roger Schaffner, John Hennesa, Dan Brown and Jack Tolliver.

The recently organized band of the Venice Methodist Church, under the direction of Mrs. Craig Dillman, will play Sunday morning prior to the Sunday school classes.

Rev. Craig R. Dillman, pastor at the Venice Methodist Church, was appointed secretary of the Tri-City Ministerial Association at a meeting Tuesday morning at St. John United

GC Banker Heads UBI Promotion Committee

A Granite City veteran of the counting house has been named to head a special, 28-member bankers committee to promote and publicize the Universities and Welfare Building Bond issues to be voted on at the Nov. 8 election.

He is Henry D. Karandjoff, chairman of the board of the Granite City Trust & Savings Bank.

The Illinois Bankers Association has endorsed the bonding proposals. Karandjoff explained today the committee he heads will act to insure distribution by all Illinois banks of literature and handbills explaining the purpose and needs of the buildings for the state universities and its mental hospitals and other institutions.

He said that 972 banks, including all in the Madison-St. Clair county areas, would join in the crusade to insure passage of the referendum. Karandjoff has long been Madison county U. S. Treasury Bond sales chairman, and heads the sales campaign in a 33-county district of Illinois.

36 Attend Conventions From Venice, Madison

Thirty-six Madison and Venice city officials and employees have returned after attending three-day conventions elsewhere in Illinois, ending Tuesday. Many of the officials came back to the Quad-Cities for Sen. John F. Kennedy's campaign visit and then resumed their convention.

The 16 Madison delegates to the Illinois Municipal League meeting in Springfield were Mayor Stephen Mieras, City Clerk Percy Lux, City Treasurer Dennis Nicholas, City Comptroller Nick Vassilef, Supt. Stanley Lucas and Aldermen Emil Ulanicki, John Bridick, Charles McMahon, Benjamin Bosworth, Richard George Ray, Joseph Kozielek, Steve Kelly, Booker Walton and John Haynes.

Venue's 14 Municipal League delegates were Mayor John E. Lee, City Clerk William M. Eberold, City Treasurer Bernard Anderson, City Comptroller Carl Byrnes, City Attorney Harry E. Hartman, City Engineer Jack Tolliver, Health Officer Walter Simmons and Aldermen Harry Buerste, James Miller, George Mangiaracina, Hank Svezia, Arthur Means, Oscar King and William Griggs.

The Illinois Police Association convention in Peoria was attended by Patrolmen Frank Dutko and Ed Zabotka of Madison and Patrolmen Homer Easton and Merl E. Hayden Jr. of Venice, while the Illinois Policemen's Benevolent and Protective Association meeting in Rockford was attended by Capt. Frank DeWitt and Patrolman James Cooper of Venice.

A committee meeting was held today at the Venice Methodist Church, with Rev. Paul Evans, pastor of the First Assembly of God Church, in charge. The committee will have charge of Reformation services to be held at Granite City high school Oct. 30 at 2:45 p.m.

SCOUTING SALESMANSHIP was the topic at a three-day conference of Cahokia Mound Council neighborhood commissioners at Camp Sunnen in Missouri. Pictured (left to right) are Al Taras of the Cronos Steel Products Co., who spoke on "How to Sell," Bernard Miller Jr., Uniwah district commissioner, and Leonard Robbers, a neighborhood commissioner in the Quad-Cities. Discussions and talks dealt with expanding the scout program.

Holidays, Homecoming On School Calendars

Three school holidays — no classes for students but conference sessions for teachers — are included on the October calendar for most Quad-City schools. Halloween and the Granite City high school homecoming also will be highlights of the month.

The holidays are Friday, Oct. 14, when the American Federation of Teachers will convene at East St. Louis high school; Thursday, Oct. 20, when a Madison county teachers' institute will be held at the Triad high school; and Friday, Oct. 21, when Illinois Education Association Marquette division meeting will be held at the Triad high school.

An exception is the Venice school district, where regular classes will be operated on Oct. 14 and 15. Teachers will not be authorized to attend the IAEA sessions. In reaching this decision, the board decided to retain Tuesday, Dec. 20, as the last day of classes prior to the Christmas-New Year's holidays.

Calendar changes In the Madison district, attendance at the APT meeting Oct. 21—originally scheduled for Oct. 21—was approved, with classes added on Wednesday, Dec. 21. In Granite City, Oct. 19 and 20 were added as school days, with one day to be eliminated next spring.

There will be 18 days of actual attendance this month in the Granite City and Madison districts—five this week, four next week, three the week following Oct. 17, five in the week of Oct. 31 and one on Monday, Oct. 31. Venice schools will operate 19 days, including Oct. 21.

Parade, Game, Dance, Play

Granite City high school — Modern Music Masters meeting Friday, Oct. 7; "Lease" assembly for the homecoming play Tuesday, Oct. 23; homecoming matinee Oct. 25; homecoming playlets and parade Wednesday, Oct. 26; alumni banquet Thursday, Oct. 27; homecoming football game with Edwardsville and homecoming dance Oct. 27; and homecoming play performances Friday, Oct. 28 and Saturday, Oct. 29.

Madison high school — assembly program, Jay Bee Fennell Wednesday, Oct. 12; preliminary scholastic aptitude test Tuesday, Oct. 16; Illinois statewide tests Tuesday, Oct. 25; and assembly, Fisher Body Co. Craftsman's Guild Wednesday, Oct. 26.

Madison junior high school — observance of Fire Prevention Week Oct. 9 to 15; and Halloween program Friday, Oct. 28.

Halloween Parties Dunbar school — PTA meeting Wednesday night, Oct. 12; Halloween parade, room parties and PTA carnival Friday, Oct. 28.

Harris school — Fire Prevention Week, Oct. 9-15; Mothers' Club meeting Oct. 12; Halloween party Oct. 28; and Louis Bar School — Mothers' Club meeting Oct. 12; meeting of Louis Bar teachers, Oct. 27; annual Halloween party and parade Oct. 31.

Venue high school — Madison County Sight Reading Clinic, beginning Oct. 17, five in the week of Oct. 31 and one on Monday, Oct. 31. Venice schools will operate 19 days, including Oct. 21.

Mrs. James Fox Presides At UPW Meeting Tuesday

The October meeting of the United Presbyterian Women of First United Presbyterian Church was held Tuesday evening at the church, 22nd street and Delmar avenue.

After the opening hymn by the group devotions were led by Mrs. Otto Grosse, who took as her topic "The Ways" from the book of St. John, and closed with prayer.

Mrs. James Fox, Association president, conducted the business session and reports from the secretary and treasurer, as well as various department heads were heard. Mrs. Herbert Dadenbostel presented the association budget for 1961 and it was approved by the group.

The program in the form of a panel discussion was presented by the ladies who attended the UPW school last summer at Carroll College at Waukesha, Wis. They were Mrs. J. W. Schell, Mrs. Fox, Mrs. George Holzschner, Mrs. W. G. Cooley, and Mrs. Grosse. The latter acted as moderator.

Circle Six members served as hostesses, and a fellowship hour followed the meeting. The tea table was appropriately appointed for the occasion and approximately 40 were present.

Mrs. Simpkins Gives Lesson

Citizenship Along With Mission Work was the topic of the lesson given by Mrs. Warren Simpkins, assisted by Mrs. Maxine Burd, Mrs. Regina Jones and Mrs. Ralph Weaver at a meeting of the Naomi Circle of Niedringhaus Memorial Methodist Church Tuesday evening at the home of Mrs. Raymond Herley, 2340 Cleveland blvd.

Miss Linda Henley played "America The Beautiful" and the group sang "America." Mrs. Vernie Barnett, circle leader, read the Scripture lesson and presided over the meeting.

Ten members attended the meeting and the following guest, Mrs. Lillian Fox, Mrs. Golda Boyle, Mrs. Minnie Seibold, and Mrs. W. H. Cramer, the latter from Des Moines Ia.

Dorcas Class Holds Meeting

The home of Mrs. Leslie Cain, 2342 Sheridan avenue, was the place of meeting Tuesday evening for the Dorcas Circle of Niedringhaus Memorial Methodist Church.

Eight members attended and one guest, Mrs. B. Gage, Mrs. Verna Willtrout, the leader, conducted the meeting which opened with a circle of prayer.

Mrs. Amy Prussman presented the lesson, the topic of which was "Words That Lift Horizons," in the form of a skit with all of the members participating.

Plans were furthered at the meeting for the annual bazaar which will be held on Dec. 2 this year.

MOOSE TEEN-TOWN DANCES RESUME

The Teen-Town dances at the Moose Hall will be resumed again for the fall and winter with the first of the season taking place Sunday from 6 to 9 p.m. according to Joseph Jackovich, chairman.

The dances, for young people from 13 to 19 years old, are to be well chaperoned, Jackovich said.

MISS BRENDA DYER, a daughter of Mrs. Pearl Dyer, 4410 Kirkpatrick Homes, whose engagement to Ronald Cornelius, 2 son of Mr. and Mrs. G. S. Cornelius, 1561 Garfield avenue, has been announced. The wedding date has not been set.

MRS. GERHARD SEIM, a bride of Saturday afternoon. Before her marriage at St. John United Church of Christ, she was Catherine Graf of 2350 State street. The ceremony was performed by Rev. Bodo Mehling, pastor of the newly-organized United Lutheran congregation.

Election, Marking Of Ballots Topic For Trio Unit

The Trio Unit of the Madison County Home Bureau at a meeting in her home Tuesday afternoon, serving a dessert luncheon before the meeting.

Fifteen members and several guests were present for the afternoon. Mrs. A. Deichmann and Mrs. F. J. Schilling, Mrs. Mary Alice Weiss read a poem entitled "One Vote" and distributed voter guide pamphlets. Mrs. Clara Schilling gave a demonstration on "How to Mark Ballots Correctly" and the major lesson "Fashions For Living, the Sleeping Area," was presented by Mrs. Edna Buenger and Mrs. Clara Schilling, who discussed ways to do over old floors.

A quiz on parliamentary procedure was conducted by Mrs. Shirley Schilling and Mrs. Mary Cochran, and prizes were awarded to Mrs. Clara Schilling and Mrs. Deichmann.

Mrs. Shirley Schilling, chairman, presided at the meeting and plans were made to meet in November with Mrs. Cochran on Rural Route One.

YOUNG ADULTS MEET AT VANDERMARK HOME

Mrs. Virginia Vandermark was hostess to the Young Adult circle of the First Methodist Church in her home Monday afternoon. Mrs. Emma Graves presented the lesson for the month, taken from the Christian magazine.

The group discussed ways to assist the minister of the church. The president, Mrs. Lorraine Creighton, presided over the meeting, in which Mrs. Graves, Mrs. Sue Kosak, Mrs. Betty Halentine, Mrs. Betty Rutkowski, Mrs. Avis Richardson, Mrs. Thelma Black and daughter, Anita, Mrs. Albert Robertson and Mrs. Vandermark took part.

Mrs. Creighton will have the ladies in her home, 3148 Carlson avenue, for the next monthly meeting. Refreshments were served by the hostess.

TWILIGHT CLUB MEETS

Mrs. Cel Doroghazi was hostess to the Twilight Pinocle club in her home Monday evening. Barbecued chicken, tossed salad and hot rolls were served prior to playing of pinocle. Mrs. Pauline Holman, Mrs. Sandra Bray, Mrs. Mary Etta Wambach and Mrs. Bunney O'Connell were prize winners in the games.

Others participating were Mrs. Mary Miller, Mrs. Lucille Broyles, Mrs. Doroghazi and a guest for the evening, Mrs. Rose Whitaker.

The ladies plan to attend a party at St. Jerome's Church in St. Louis Oct. 21. Mrs. Bray of Belleville will entertain the club in her home Nov. 7. Names were drawn for a Christmas gift exchange.

Girl Scout Troop III met Tuesday afternoon at the home of the leader, Mrs. Sally Bosworth, at which time an election of officers for the new school term was held. With Alice Grimes named president, Donna Schuster vice-president, Pat Moss secretary and Paulette Volokli, treasurer. The girls were put in patrols with Patrol One including Sharon Falcut, Paulette Volokli, Pat Moss and Patrol Two, Janet McBrian, Alice Grimes and Donna Schuster. The hostesses, Paulette Volokli and Pat Moss, served refreshments.

FELLOWSHIP FALL PLANS

The Methodist Youth Fellowship met Tuesday evening at the Madison Methodist Church for a business meeting to make plans for projects and parties to be held in the future.

A Halloween party is to be held at the church, with members of the church being invited. If anyone attends the party without being masked and appropriately dressed for the occasion, he will be "fined". The members are planning to have a benefit sale and a hayride. A booth festival will be held in November. An officers' meeting will be held Monday night from 6 to 8 p.m. at the church to make further plans.

The group of boys and girls will gather at the church Oct. 22 to take leaves and clean for the sub-district meeting.

Those attending were Joyce Vandermark, Linda Blumenstock, Mary Anna Fisk, Linda Rash, Susan Beville, Sandra Thomas, Donna Schleuter, Sarah Lucas, Arnetia Schleuter, Lena Leorch, Gail Stagner, Carol Chapman, Janet Moore, Janet McBrian, Karen Kosok, Wayne Koller, Harry Stephens, Mrs. Avis Richardson, Mrs. Kathryn Jones and Mrs. Emma Graves.

PLAN HALLOWEEN PARTY

The Beta Gamma club met Tuesday evening in the home of Mrs. Jeanne Weeks of Collinsville. During the business period, the group made plans for a Halloween party to be held in the home of Mrs. Edna Henley, 2208 Richmond avenue, Oct. 25, with the husbands being invited as guests. Those attending are to be dressed in costume. Fudge candy will be sold during the latter part of the month, with the contributions being given to the Tree of Lights. A social period filled the remainder of the evening, with games being played and prizes awarded to Mrs. Shirley Kattenbraker, Mrs. Wilma Pulaski, Mrs. Dolores Bancroft and Mrs. Nancy Leary.

Others taking part were Mrs. Colleen Evansoff, Mrs. Lois Hoffman, Mrs. Ruth Weeks, Mrs. Kathryn Jones, Mrs. Jackie Feizell, Mrs. Marie Blest and the hostess, who served refreshments. Mrs. Bancroft will be hostess to the club in her home Nov. 1.

MRS. MEYER IS HOSTESS TO CLASS

Mrs. Betty Meyer was hostess to the Peppy class of the First Presbyterian Church in her home, 1525 Fourth street, Tuesday evening. The business meeting was opened with the Lord's prayer, and various topics were discussed as projects, along with World Community Day Nov. 4. The class will sell Christmas cards and gift wrappings.

A social time was held, with games being played and Mrs. Hazel Hinson, Mrs. Joyce Walker, Mrs. Clara Lux, Miss Dorothy Hinson and Miss Luella McCoid excelling.

Luncheon was served by the hostess to those mentioned and Mrs. Gladys Zentgraf, Mrs. Elizabeth Bucher, Mrs. Glova Taylor, Miss Pat Noud and a guest for the evening, Mrs. Margaret Lee. Mrs. Taylor will entertain the class in her home, 1603 Fifth street, in November.

BAND PARENTS MEET

The first meeting of the school term of the Grade School Band Parents club was held Monday evening at the Madison Junior high school, with approximately 25 parents in attendance. Mrs. Gertrude Ashford, the new president, presided over a business meeting. Other officers were Frieda Simmons, vice-president, Grace Hamilton, secretary, and Diana Blatner, treasurer. Mrs. Virginia Vandermark, retiring secretary, presented books of the past meetings to the new secretary.

Various projects for the school term were discussed, along with a chocolate candy sale to be handled by the band pupils. Proceeds will be used to purchase band uniforms and instruments.

William Ledbetter, instructor, spoke and Mrs. Ashford and Mrs. Blatner served refreshments. The meetings will continue to be held on the first Monday of each month.

PLAN SOCIAL MEETING

Mrs. Betty Rodgers, president of the Madison Ladies Democratic club, presided over a monthly meeting Monday evening at the Sportsman's club. Plans were discussed for a social to be held Oct. 12 by the members.

The hostesses, Mrs. Mary Maeress and Mrs. Hazel Hinson, served a luncheon to the 15 members present.

Mrs. June Mowrey and children, Linda Ruth and Rick Lee, and Mrs. William Hueschbrink of Madison motored to Fulton, Mo., to visit Mrs. Hannebrink's mother, Mrs. Stella Davis. The Madison residents returned home Sunday evening.

DISCUSS FAMILY DINNER
The Vota Vita Sunday school class of First Baptist Church met Tuesday evening in the home of Mrs. Doris Hargraves, 1677 Fourth street. The meeting opened with union quotations on the class aim, colors, motto and song, followed by Scripture reading by Mrs. Ruth George. Prayer was given by the new class teacher, Mrs. Verna Williams. Mrs. Pat Kingsley presented the devotional for the month, "Power Of Prayer". Old and new business was discussed, at which time the members decided to change the meeting date to the first Tuesday of each month, instead of the third Thursday.

A family Thanksgiving dinner for the members and their families is to be held Nov. 12. The meeting was dismissed with prayer by Mrs. Mary Link. Refreshments were served to Mrs. Mary Lassen, Mrs. Treva Williams, Mrs. William, Mrs. Norma Eaves, Mrs. Ann Redman and children, Michael, Dennis, Janet and Jimmy, Mrs. Ruth George and son, Butch, Mrs. Mrs. Bonnie Bridges, Mrs. Pauline Pinkley, Mrs. Kingsley, Mrs. Mary Livesey, Mrs. Link, Mrs. Ruth Manion and sons, Dennis and Benny, and Janice and Jimmy Hargraves.

County Engineer Society
To Meet Next Tuesday
Members of the Madison County Chapter, Illinois Society of Professional Engineers, will meet next Tuesday at the Edwardsville Gun Club. The guest speaker will be L. D. Hudson of Springfield, president of the state society.

His topic will be "professional development". Edward J. Sheppard, Morgan & Schwab's Granite City office is vice-president of the county group.

Harrison Phipps, 1640 Third street, and his son-in-law and daughter, and Mrs. John Danne of St. Louis, spent the weekend visiting Phipps' brother-in-law and sister, Mr. and Mrs. William Walker, and other relatives in Carmel, Ill. They returned home Sunday evening.

Relief Patronage Increases In Nameoki Township

An increase in Nameoki township relief patronage was noted for September in a monthly report made yesterday from the office of Supervisor Harry Zivigs.

During the month, there were 41 cases with 141 individuals and a cost of \$4484, as compared to 43 cases with 167 persons and \$3240 costs in August. In September 1959, the totals were 35 cases with 139 persons and costs of \$3486.

Money Isn't Everything

"Money isn't everything," said a leading comedian, "but it's better than whatever is in second place."
We have to admit, it is nice to have around. Money, which we like to call CASH, (sometimes spelled as vampus, kale, mazzuma, dough, bay, shekels or spondulix) is a strange product. Some folks have it, many don't have it, but all worry about the green stuff. When you shop for food the thing to save is CASH.
Tri-City Groc. Co. is now in its 46th year, and from 1914 we've helped 3 generations to SAVE lots of CASH. (10% to 20%) on their food purchases. We believe Mrs. CASH, queen of the family budget, should SAVE as much as possible on food. Ask your friends, your neighbors, relatives about our top quality foods at everyday lowest prices. Come in and compare our shelf tags. You'll SAVE enough in a few weeks for a new fall dress. We'll be looking for you.

County Health Department's Services Could Aid Cities

Assistance to municipalities in their programs of pollution abatement and disposal of trash and garbage could be available through establishment of a County Health Department, members of the Granite City council were told Monday night by two representatives of the volunteer Madison county group seeking support for establishment of such a department.

Appearing before the council were Dr. Felicia Koch, local physician, and Milton Morris of Venice.

They showed slides of pollution conditions in the Quad-Cities area and of the three city dumping grounds. Morris said it was possible, with specialists of a county health department conducting surveys and submitting reports, for a county incinerator to be erected to serve all Madison county communities and areas.

He explained the cities would operate their own house-to-house pickups and possibly carry the trash to designated central pickup points from where the debris would be hauled to the county-operated incinerator for disposal.

Reduce Disposal Costs
"This could reduce the cost of municipal operations, and there is hardly a city in the country that doesn't have a disposal problem," Morris said.

He and Dr. Koch stressed that a county health department would receive financial assistance from the state amounting to about a fourth of the department's operating costs. They said it would take one to two years for the department to become fully organized if the program is approved by voters on Nov. 8.

Additional laws would be required to give the department authority to correct unsanitary conditions, such as privies, near bodies of water, such as at Long Lake, inspections of water supplies, dairies and restaurants and the eradication of mosquitoes by going to the source.

Morris said many cities in the county spray regularly to kill mosquitoes, but none of them go to the breeding places to complete the eradication. "They can spray today, and tonight the wind could change, blowing mosquitoes in from swamps. Mosquitoes can't read swamp lines," he said.

Serve All Residents
Answering questions by the aldermen, Dr. Koch and Morris further explained the county health department through operation of a clinic would serve all residents and not just for persons seeking relief assistance.

Dr. Koch pointed out through records maintained by a county department, physicians would be reporting outbreaks of contagious diseases and epidemics could be noted quickly and the sources found and corrected.

Both she and Morris emphasized that qualified persons would be sought to operate the department. Dr. Koch commented that not one local physician could qualify for the post as medical director because none has public health training.

The seven-member governing board would include two physicians, a dentist and a county supervisor as well as three lay members. Morris said the volunteer committee plans to remain active and in the event of success at the polls on Nov. 8, hopes to advise the county board of supervisors to select the three other board of health members to represent schools, labor and industry.

Dr. Koch and Morris pointed out a county board of health would provide protection against disease, provide health services for all persons in the county.

In addition to keeping complete records, the department would control communicable diseases, strive for environmental sanitation, provide maternal and child health care and conduct laboratory examinations, provide health services for the aged.

Other services a county health department could provide a community would be inspections of water supplies and eating places and plants of foodstuffs manufacturers. The council members were told.

In answer to a question of possible duplication of services, Dr. Koch and Morris pointed out such inspections may be available but a more thorough job would be done by experts of a county health department.

As an example, she said the state provides an inspector for water wells, but because of the size of Madison county, he could inspect each well only once every two years. At present, it is necessary for anyone wanting water tested to send a sample to Springfield and wait for a reply.

Concluding their talks, Dr. Koch and Morris said they were appearing before the city council so the aldermen and city officials would know the scope of work for a county health department and could answer any questions asked by residents of the community.

Polynesian Party Given By Eta Alumnae Chapter

Eta Alumnae Chapter of the Phi Tau Omega sorority was entertained by Mrs. Bernice Gziesek and Mrs. LaRose at a Polynesian party last night.

The affair was held at the Rose Bowl and the guests were greeted by Mrs. LaRose and Mrs. Gziesek in Polynesian hostess gowns and turbans.

Hawaiian punch was served throughout the evening and the group partook of a midnight supper of Polynesian food seated at tables decorated in keeping with the general theme. Akus and place cards were left. Flare-ups and hurricane lamps also added to the attractiveness of the setting.

Twenty-one were present, including the following guests: Mrs. Clara Lauterbach, Mrs. Dorothy Costello, Mrs. Rosalie Gabriel and Mrs. Pat Kent. Prizes in the games were won by Mrs. Marguerite Lebow, Mrs. Irene Louis, Mrs. June Drew, Mrs. Mary Margaret Graham, Mrs. Thelma Grisham, Mrs. Ruby Overbeck and Mrs. Dorothy Johannmiller. There were special gifts for each of the guests.

Mrs. Melba Tarpo, president of the chapter, conducted a discussion of plans for the annual Christmas party to be held Dec. 7.

Garden Club Members Tour Shaw's Garden
Taking the place of the regular meeting of the Garden Study Club Wednesday was a trip by the members and several guests to the Missouri Botanical Gardens (Shaw's Garden) in St. Louis.

There were 14 in the group and they were taken on a tour of the greenhouse and buildings by Mrs. Paul H. Britt, of the horticultural council of the Garden.

Among the more interesting places visited was the new Climatron which was dedicated the past weekend and opened to the public, although not completed yet. The building is governed by weather conditions and its operation was explained by Mrs. Britt, who also conducted the club through the old home of Henry Shaw on the Garden grounds.

A picnic luncheon was enjoyed and plans were made for the next regular meeting to be held in yet. The building is governed by weather conditions and its operation was explained by Mrs. Britt, who also conducted the club through the old home of Henry Shaw on the Garden grounds.

Jaw, Car Door Collide, Terry Gray Is Treated

Terry Gray, 13, of 255 State street, had his right jaw slightly injured this morning when he was struck by the door of a parked automobile.

He was bicycling to school when a passenger in a double-parked vehicle opened the door and Terry collided with it.

Taken to the emergency room at St. Elizabeth Hospital, the youth had his jaw x-rayed, took a cold pack on it and was released to school for the remainder of the day.

He is the son of Mr. and Mrs. William W. Gray.

NEW RECORD DEPARTMENT at the Granite City public library, opened this week and already patronized, being studied by members of the Evening Eude Music Club, who aided the library in its formation. Left to right — Mrs. Betty Jo Bartels, secretary-treasurer of the club; librarian Mrs. Mary Gene Knutke; Mrs. Joyce Walters, record department librarian; and Miss Elsie Mayhew, member of the Evening Eude Club. Records may be borrowed by individuals who will play them on Hi-Fi or Stereo sets.

Two Hurt

(Continued from Page 1)

ing advised to obtain a skull x-ray.

The man was riding in the back seat of an eastbound Lincoln Continental which sustained damage to its rear and the windshield, George Reinart, St. Louis, was the driver.

The other motorist, James Lester Valentine, 36, St. Louis, left front and hood of his car was charged with careless driving, being released on \$20 cash bond until a hearing Saturday.

Named To Staff Of St. Louis TB Society

Mrs. Jo Ann Macios, 2969 Center street, has been appointed to the public relations staff of the Tuberculosis and Health Society of St. Louis. The organization announced this week.

A native of Granite City, Mrs. Macios is the wife of Carl Macios, who is employed as an engineering consultant by a St. Louis firm.

Dennis Slate Assigned To Practice Teaching

Dennis Slate has been assigned to practice teaching at Fayette, Mo., public schools.

A senior physical education major, he is the son of Mr. and Mrs. C. Slate of Granite City. The student teaching program is designed to give future teachers actual classroom experience.

21 Polling Places Listed For City Manager Voting

Twenty-one polling places for the Monday, Oct. 24 balloting on the proposal as to whether Granite City should adopt the city manager form of government were listed this week by City Clerk A. L. Stevens.

Ill. Mental Hospitals Overcrowded, Club Told

Illinois mental hospitals are 31% overcrowded, limiting the amount of care that can be given and in turn reducing the extent of rehabilitation of patients, Madison Rotarians were told yesterday by Dr. William E. Cook, chief psychologist of the Alton state hospital.

In urging support of the state's \$150,000,000 welfare bond issue Nov. 8, Dr. Cook showed a 15-minute film of present hospital conditions, emphasizing a "no vacancy" theme due to overcrowding. He pointed out that failure to mark the bond issue ballot has the same effect as a "no" vote.

The construction program includes over \$8,000,000 for new buildings and remodeling of old buildings at the Alton hospital, which has 1920 patients in facilities with a capacity for 1300. Dr. Cook said. He said that quarters for about 500 patients would be added, and new facilities would include an acute hospital and infirmary.

Registration May Top 12,000; Special Hours

New voter registrations this fall are expected to top 12,000, it was learned today from County Clerk Zulauf Hotz, who said the total was 9428 through Monday. Changes of addresses so far total 758.

With the registration deadline Monday, Oct. 10, Miss Hotz said special hours have been arranged for Mrs. Irene Snider, 3529 Nameoki road. Mrs. Snider will be at her home to handle registrations from 7 a.m. to 9 p.m. tomorrow, Saturday and Monday.

The county clerk's office in the courthouse at Edwardsville will be open until 8 p.m. today, tomorrow and Monday.

AMVET AUXILIARY PLANS TEEN TOWN

Long Lake Amvets Auxiliary Unit 187 held a regular meeting Tuesday night. Plans were made for a rummage sale Oct. 29 and signs will be erected. Proceeds from the sale will go to start a teen town for the Vinton area. Plans were made for a Halloween dance, and prizes will be given for the funniest costumes. At the conclusion of the meeting, a lunch was enjoyed by all members.

SECOND BIRTHDAY

Susan Bargel celebrated her second birthday Sunday at the home of her grandparents, Mr. and Mrs. John Bargel. A large decorated cake with two candles centered the table. Others present were Mr. and Mrs. Ed Bargel and children, Brenda and John, Mrs. Sophia Woodsworth, Eleanor and Walter Bargel and Frances Lampher. The honoree received many gifts.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Gettelman, assisted by Mrs. Evelyn Bringer. The girls opened with the pledge and Brownie promise. Mrs. Gettelman discussed the birthday of Juliette Lowe, founder of the Girl Scouts. The girls will bring contributions for the Juliette Lowe world friendship fund. The girls learned songs, turned in their good deed leafs and played games. The meeting closed with "Taps", and refreshments were served to Kay Nenninger, Jean Funkhouser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Sandra Freeman, Brenda Mistler, Sandy Deatherage, Elaine Russell, Judith Baker, Darla Sneed, Debbie Grace, Sally Gettelman and Mimi Midyett.

Intermediate Girl Scout Troop 31 met Tuesday evening with Mrs. Corinne Kreher, assisted by Mrs. Florence Deatherage. The cookie kickoff which will be held Oct. 29 was discussed. The Juliette Lowe friendship fund collection will be held at the next meeting. Girls will start on second-class rank at the next meeting. Those from the fifth and sixth grade at Stallings school who wish to join are being asked to call Mrs. Kreher. Songs were practiced and a name for Neighborhood Four was discussed. Those present were Janice Kreher, Stephanie Deatherage, Dorothy Geiger, Linda Hamilton, Karen Deatherage, Janis Mellicie and Cheryl Fisk.

Den One of Cub Pack Six met Monday evening with Mrs. Laverne Rapp, assisted by Mrs. Laverne Clark. The boys did handwork, played games, sang, checked achievements and talked about the next pack meeting. The meeting closed with the "living circle". Refreshments were served to Dennis Bringer, Herb Williams, David Dayton, Michael Norton, Edward Van Scoyk and two guests, Mrs. Mary Jo Lowell and son, Bobby.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer, assisted by Mrs. Ruth Norton. The meeting opened with the pledge, and the boys did handwork, played games, sang, checked achievements and talked about the next pack meeting. The meeting closed with the "living circle". Refreshments were served to Dennis Bringer, Herb Williams, David Dayton, Michael Norton, Edward Van Scoyk and two guests, Mrs. Mary Jo Lowell and son, Bobby.

Brownie Troop 75 met Tuesday evening at Long Lake fire hall, with Assistant Scoutmaster Leonard Barron. Plans were made to go to the camporee in Highland Friday, Saturday and Sunday. A new member was accepted and 15 boys were present.

Ben Williams and Mrs. Bertha Hall were dinner guests at the home of his son and daughter-in-law, Mr. and Mrs. Ralph Williams of Belleville, Sunday. Also present were Ben Williams' grandchildren, Mr. and Mrs. Jim Williams, Mrs. Jack McKee and Ralph and Richard Williams, and his great-grandchildren, Vicki Williams and Billy and Peggy McKee.

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall, with Assistant Scoutmaster Leonard Barron. Plans were made to go to the camporee in Highland Friday, Saturday and Sunday. A new member was accepted and 15 boys were present.

30-Day Jail Sentence
Pleading guilty to charges of drunkenness and vagrancy, Clarence O. Stagner, 29, of 2106 Lee avenue, who was arrested Tuesday night in the 2300 block of Grand avenue, was fined \$10 and costs and sentenced to 30 days in the county jail. His hearing was conducted yesterday by Police Magistrate Gasparovic.

and displays spangle store and shop windows, billboards herald the drive and on many fronts publicity action is rampant.

Solenberger took time out today to correct what he described as some apparent misinformation and misapprehension regarding the scope of the UF drive.

"No money raised through the drive goes to those national health agencies who, separately, hold fund-raising campaigns in the spring," he said.

"While we do list as among our beneficiaries health, welfare and health service agencies, these operate on the local level, and are not to be confused with the national health agencies such as those devoted to fund-raising for treatment and prevention of heart diseases, cancer, muscular dystrophy, and other ailments."

"We have invited these national health agencies to have their fund-raising efforts included under an all-encompassing blanket, such as the UF affords, but they have declined."

Invitation Stands
"The doors are still open to them," he stressed, "if they wish to come in and unite in a single, area-wide campaign, getting their just apportionment of the total."

This is in no wise a disparagement of the recognized national-level health agencies, the secretary said.

He simply would like them to join up and obviate a duplication of fund-raising effort in the Tri-Cities.

Solenberger said the Red Cross, a sometimes hold-out, was joined in the '61 United Fund appeal, and that all contributors would receive a Red Cross membership certificate.

Agency Breakdown
The UF executive director said it might be best for the president to again recapitulate the agencies and services to benefit under the \$285,381 goal for the '61 fiscal year.

Boy Scouts of America, \$39,900; Girl Scouts, \$16,400; Madison Teen Town, \$400; YMCA, \$47,100; Boys Town of Illinois, \$310; Catholic Charities, \$29,074; Co-ordinated Youth, \$17,099; Protestant Welfare, \$12,700; Salvation Army, \$19,880; Aid to Retarded Children, \$50,818; Madison County Mental Health Clinic, \$7300.

Visiting Nurse Association, \$3300; Health Services Fund, \$13,000; American Red Cross, \$25,816; AFL-CIO Community Service, \$3300; Servicemen's Center, \$2600; \$100; administrative and campaign expenses, \$21,974; reserve for shrinkage, \$6000.

ported to Granite City police yesterday by George Van Hoose of East St. Louis.

Between 500 and 700 feet of four-inch steel forms used for sidewalks was stolen from a storage point on Terminal avenue in the Glenview subdivision. A report of the theft was made yesterday afternoon to Granite City police by William Weiss, 2950 Grand avenue, local contractor.

A 24-foot extension ladder from the garage of Granite City Township Justice of the Peace Philip Winkler, according to a report received yesterday afternoon by Granite City police.

A lawnmower was stolen from the garage of William Frost, 2905 Logan street, according to a report made early today to Granite City police.

Sorento Woman, Mrs. Emma Keeler, Dies
Mrs. Emma Keeler, 69, of Sorento, Ill., died Tuesday evening at St. Francis Hospital, Litchfield, Ill.

She is survived by her husband, Paul; two sons, Lawrence Keeler of Yakima, Wash., and James Keeler, Dairies, and two daughters, Mrs. Margaret Luczenski, St. Louis and Miss Mildred Keeler, Hollywood, Calif.; a brother, James Grove of Granite City; seven grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

Madison Permits Total \$1000 In September
A Madison building permit was issued during September to the Moss Trucking Co., 1601 Market street, for improvements to a wash rack. The work is expected to cost \$800.

Warren J. Rickert also received a permit to repair the front porch at 912 Alton avenue at a cost of \$200. Melvin Lee was authorized to remove a frame building from 1610 Second street.

Local C. of C. Political Courses Given Recognition

Special recognition of the Tri-Cities Chamber of Commerce action courses on practical politics with praise for the Sept. 13 banquet honoring the 158 graduates was given this week by Dwight Havens, manager of the Chamber of Commerce of the U. S. at Washington, D. C.

It is likely the local courses will be featured in the national C. of C. publication. Four courses, with an enrollment of 66 are currently underway — two at American Street Foundries, one at the YMCA and one which meets at Cline's restaurant.

Harlan Dobry, C. of C. secretary.

Governor To Make Six Madison County Stops

Gov. William G. Stratton's campaign visits to the Quad Cities on Thursday, Oct. 13, will be part of a six-stop helicopter tour of Madison county that day.

Immediately after the 11 a.m. to 2:20 p.m. swing through this county, he will depart for St. Clair county. Adopting the helicopter as his principal means of moving about the state while seeking re-election, the Republican official has arranged to be at Hamel from 11 to 11:15, Oct. 13, Highland 11:30 to 11:45, Collinsville noon to 12:45 for a luncheon, Wood River 1:05 to 1:25, Granite City 1:35 to 1:55 and Venice 2:05 to 2:20.

The governor's itinerary was announced by the Madison county Republican central committee, of which Wilbur Gehring of Edwardsville Route One is chairman. Allison Gansman of St. Jo, vice-chairman, Lloyd Elliot of Godfrey secretary and Charles G. Thomas of Bettalto Route One, treasurer. District chairmen are C. Luther Raudon, Frank Zamaroni, Marion Groshong, M. G. Schaefer, Harry C. Hildreth, Edwin Meyer, Herbert Weiler, Clyde F. Belcher and C. E. Krickelberg.

lary, said materials are available at the local C. of C. office for any groups which might want to start the courses. They're available to any type groups — clubs, church organizations or even neighborhood groups. The suggested size for any such group to 10 to 20 persons.

The C. of C. office has a list of available discussion leaders and point out the courses are designed to promote better citizenship for those wanting to make their town a better place in which to live.

Materials were developed for nation-wide use, and the courses generally run for eight or nine sessions.

New Gas Main To Be Installed Under 19th Street
Two excavation permits, including one for a 100-foot cut along 19th street from Benton street to Edison avenue for replacement of a gas main, were approved Monday night by Granite City council members.

Alderman Samuel Whitmer, chairman of the Street and Alley committee, said there had been no objection to the downtown excavation, but that arrangements probably had been agreed upon between the city and the Bell and Illinois Power Co.

The power company is to replace the present six-inch gas main with a larger eight-inch line.

The other permit went to American Telephone & Telegraph Co. for installation of an underground cable for its Springfield-St. Louis lines going through the Glenview subdivision. In its report, the firm pointed out there were objections to three poles in the vicinity of Edgewood and Willow avenues, and that the poles would be removed and the lines placed underground.

The permits were granted with the work subject to the supervision of the superintendent of streets.

Charles C. Sumner, 56, Plant Guard, Succumbs
Employed as plant guard at St. Louis by the Burns Detective Agency 18 years, Charles C. Sumner, 56, of 2901 Myrtle avenue, died Monday afternoon.

Death was at Christian Hospital, St. Louis, where he had been a patient for 10 days. A native of Grand Tower, Ill., Mr. Sumner had been a Granite City resident for four years.

He is survived by his wife, Zelma; three sons of Granite City, Charles, William and David Sumner, and five daughters, Mrs. Leona Zurbirigan, St. Louis, Mrs. Nadine Reahr, Florissant, Mo., Mrs. Elizabeth Enoch, La Cruz, N. Mex., Mrs. Annie Shepherd, and Mrs. Janice Hanson, St. Louis.

Also surviving are two brothers, Alfred Sumner, St. Louis, and Herbert of Marion, a sister, Mrs. Mary Knicker, Grandin, Mo., and 20 grandchildren.

Funeral arrangements are given in today's obituary column.

Political Club To Be Discussed By Groups
The fifth in the series of action courses in practical politics will be on "political clubs." It was announced today by John McBride, discussion leader for the Tri-Cities Chamber of Commerce program. Two courses are given each Monday 7:30 a.m. at the YMCA and 11:30 a.m. at Cline's restaurant.

McBride said discussions will be on the origins and functions of the clubs, types, how organized and relationship of the clubs to political parties.

DESIGNERS HAVE APPLIED smooth, graceful lines to the '61 Chevrolet Impala, Bel Air and Biscayne, which go on display Friday and Saturday at Mathews Chevrolet Co., 1511 Niedringhaus avenue. Roof lines of the Impala sport, shown here, are freshly contoured and separately styled for each model.

LAKEWOOD STATION WAGON, the new entry in the Corvair line. This car, with its air-cooled engine in the rear, folding seat and forward luggage compartment is readily adaptable to almost any job, commercial or pleasure. It is available at Mathews Chevrolet Co., 1511 Niedringhaus avenue.

'61 Corvair, Chevrolet In Gala Debut Friday

Tomorrow and Saturday the 1961 Chevrolet and the 1961 Corvair are being shown for the first time at the "Grand Opening" at Mathews Chevrolet Co., 1511 Niedringhaus avenue.

The show rooms will be in gala array with banners and pennants, and coffee and doughnuts will be served those who want to view the seven new models Mathews has on hand.

"Top seller of 1960 automobiles, Chevrolet promises to solidify its position in 1961 by significantly broadening its range of passenger cars," according to Jack Mathews, president of the Chevrolet sales and service organization.

"Scheduled for display at our showrooms beginning Friday are the '61 Chevrolet Impala, Bel Air and Biscayne passenger car lines, and among them is the sleek Impala convertible with its soft, graceful body lines converging into an entirely new styling motif.

"And the ingenious, rear-powered Corvair blossoms out as a full line of automobiles for 1961," he said. "In addition to the cars previously announced, station and sports wagons join the Corvair family."

Here, according to Mathews, is the Corvair lineup for 1961: Passenger cars—Club coupes, four-door sedans and a new Lakewood station wagon plus the deluxe Monza sport coupe and the new Greenbrier sports wagons.

Commercial—Corvan, Ramp-side and Loadside trucks.

The Chevrolet family of '61 trucks and commercial vehicles have already made their bow for the year ahead.

Altogether, prospective purchasers have a choice this year of 20 freshly styled conventional models of Chevrolets; nine Corvairs including new passenger and commercial models, and the spirited Corvair.

Park District Seeks Drainage Connection

Placed on first reading by Granite City aldermen Monday night was a request from the Granite City park district to connect a six-inch drainage line onto an existing 48-inch city storm sewer along 22nd street.

The request was placed on first reading since only eight aldermen were present. An sufficient number for suspension of rules and immediate adoption.

Young And Old Treated For Cuts

Diana Dorste, 6, of 1109 Iowa street, Madison, thrust both hands through a window pane Tuesday morning and was taken to St. Elizabeth Hospital's emergency room. There, a stitch was taken on her left wrist and Diana was released.

Mrs. Nellie Hecht, 75, of 2233 Washington avenue, likewise received treatment for a cut. She cut her left index finger on a washing machine, and six stitches were required to close the wound.

Third Baptist Adds 92 Members; Outlines Plans

A report of membership growth and expansion on the spiritual and service fronts has been made by the Third Baptist Church, 26th street and Grand avenue. Rev. Howard E. White, pastor, said that 92 new members were received for the year just ended.

Goal for the year ahead is 125 new members. Other aims and objectives include a new educational unit at the Pontoon Chapel, a new parsonage for the minister and basement remodeling of the house of worship. The congregation has approved a \$45,240 budget, of which 35 1/2% was designated for mission causes around the world.

It is expected that at least \$20,000 additionally will be given to special causes and efforts. For example, the church has a goal of \$10,000 for a special Christmas offering for foreign missions. During the year, the church will make special offerings to home and state missions.

For the year just ended, receipts stood at \$43,800, and total gifts to missions, \$12,225. The church sponsors the mission, at Pontoon Beach called the Pontoon Baptist Church. The initial unit of a planned three-building addition has been constructed at a cost of \$30,000. Third Church maintains the building program and also supplements the mission's income by an allocation of \$50 a week.

Witches Invasion Prologue Hallowe'en In Tri-Cities

Demons, ghouls, witches and hooligans are already invading Quad-Cities shops, stores and novelty-variety establishments. Their numbers are sure to increase prior to their evening of Hallowe'en, Monday, Oct. 31.

Masks, brooms, trick-or-treating witches, skeletons, "trick" wigs and an oddment of costumes are spread out before avid young eyes for whom the occasion is a time for neighborhood "Trick or Treating" and perhaps some minor window soaping, et al.

On other fronts, police, schoolmen and civic leaders are looking ahead to Hallowe'en, but with scarcely the same eager expectancy as the young.

Police Preparing

To temper and curb possible vandalism, which is frequently a common denominator of Hallowe'en, police of the area will be out in force on Oct. 31, and squad cars will patrol the streets. And they'll keep a weather eye on things Sunday evening, Oct. 30.

The small fry, police agree, present no problem. It is the preteens and the teenagers that must be curbed from destructive pranks and antics.

More than 300 strong, costumed individuals and groups, young and old, will join in the Granite City Hallowe'en parade on Oct. 31. Sponsored by the Local Order of Moose Lodge 272, this annual procession of ghosts, goblins and witches is under the direction of Clarence Meyenberg.

\$100 In Cash Awards

There will be \$100 in cash and additional mercantile awards for outstanding, singular Hallowe'en attire, he said today.

The procession will get under way at 7:30 p.m. at city hall, and make its colorful, devil-may-care way to State street, then along Nineteenth street to Niedringhaus and back to the starting point.

Meyenberg recalled over 300 took part in the 1959 ghoul, goblin, and witch parade, professional, and he expected this mark to be exceeded this year. It is not only for the youngsters, but the teenage level and adults, and will highlight the observance of Hallowe'en.

A sky-larking bonfire, parade program and refreshments will feature Venice's observance of Hallowe'en. Venice high school student council, in charge of planning, has charted a full-flavored evening for Oct. 31.

Council members will have a huge bonfire on the athletic field and likewise under strict protective supervision, other "cooling" fires will burn to herald the night.

Participating will not only be the high school pupils, but likewise the grade youngsters in this all-city event, a yearly one.

Madison Parade Friday

Madison's Harris and Dunbar schools will get the jump on others in Hallowe'en observance. Set for Oct. 28—that's on a Friday afternoon—will be a parade by costumed youngsters.

The procession will take them along Madison avenue and throughout their immediate neighborhoods. The junior high has scheduled a party for Oct. 31.

The fun, frolic and well-controlled merry-making will spill over on other fronts. Numbers of organizations, including the YMCA, Salvation Army's new recreational center, churches, clubs and neighborhood groups are planning Hallowe'en parties. These are the others, are designed to keep youngsters occupied and off the streets.

Several churches have arranged for youth get-togethers Sunday evening, Oct. 30.

At least three of the Tri-Cities parochial schools are going to hold costume parties and parades of youngsters so you can be sure the hobgoblins will run rampant over a wide quadrant

Mrs. Griffin, 88, Dies, Has 36 Grandchildren

Mrs. Harriet Griffin, 88, of 1546 Seventh street, Madison, died Monday afternoon at St. Elizabeth Hospital of infirmities. She is survived by two sons, F. R. Griffin, Granite City and A. L. Griffin, Madison; a daughter, Mrs. Nora Yearwood, Phoenix, Ariz.; a brother, Arthur Fowler, Seattle, Wash.; a sister, Mrs. Minnie Morton, Summersville, Mo., 14 grandchildren, 19 great-grandchildren and three great-great-grandchildren.

Today's obituary column gives funeral arrangements.

Protestant Welfare Sunday Observance

Protestant Welfare Sunday will be observed in all member churches this coming Sunday with representatives of the United Fund agency giving 5-to-10 minute talks, outlining the functions of the agency and urging support of the forthcoming United Fund campaign.

W. G. Harris, president of Protestant Welfare, said brochures giving the history and operation of the agency will be distributed.

He explained the organization

is governed by a board of directors of laymen and the policy is to continue and broaden local welfare services of local churches. The agency was organized in 1953 and has headquarters at 2052 Edison avenue.

FRIDAY! THE GREATEST SIXTY-ONE DERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 45 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 1 1/2 inches higher—just right for seeing, just right for sitting.

Once you're settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—from front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10 1/2 inches lower.

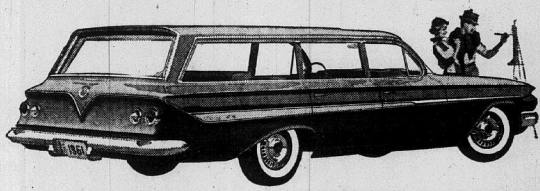

INTRODUCING THE '61 CHEVY BISCAYNE 6

the lowest priced full-sized Chevy with big-car comfort at small-car prices!

Chevy's new '61 Biscaynes—6 or V8—give you a full measure of Chevrolet quality, roominess and proved performance—yet they're priced down with many cars that give you a lot less! Now you can have economy and comfort, too!

St. Peter Church Guilds Hold Annual Combined Dinner

The annual combined meeting and covered dish supper of the Women's Afternoon and Evening Guilds of St. Peter Evangelical & Reformed Church, 21st street and Cleveland blvd., was held Monday evening in Fellowship Hall.

The meal was served at 6:30 to approximately 100 members and guests of the two groups. The tables were resplendent with arrangements of bronze and white chrysanthemums, the appointments all carrying out an autumn theme.

After supper, a program was given by the Afternoon Guild.

Guest Speakers

For St. John

Guild Meeting

Speakers Monday evening at the October meeting of the Evening Guild of St. John United Church of Christ, 2901 Namah road, were Rev. Robert Kasper, pastor of St. John United Church of Christ in Fairview, Ill., and Prof. Thomas of Southern Illinois University. Rev. Kasper discussed national missions and Mr. Thomas spoke in the interest of the coming bond issue for the university.

Mrs. Judy Stille, president, was in charge and after the devotional service led by Mrs. Eugene Buer, Mrs. Alice Prosser read the Scripture lesson. Announcement was made of a fall workshop for department chairmen and officers to be held Oct. 31 in Highland, and the fall Synod meeting at Friedens Church in Troy Oct. 12. Also discussed was the coming World Community Day project for which the guild will make a contribution to purchase medical kits to be sent overseas. World Community Day will be observed this year on Nov. 4.

The guild also is planning to staff a lunch counter at the public sale and auction at the Beckman farm on Saturday. Mrs. Thelma Jacobsmeyer, Mrs. Lois Hollenbeck, Mrs. Mary Hoekstra and Mrs. Marie Hoelcher were those on the hostess committee, and a "white elephant" sale was held after the meeting. Refreshments were served to 21 members. A program on international missions will be given at the next meeting.

Mrs. Sadie Jones Hostess For Club

Mrs. Sadie Jones, 2219 Benton street, was hostess to the Past Matrons Club of Granite Chapter 650, Order of the Eastern Star, at a meeting in her home. Mrs. Kathryn Edmonds, condress of the chapter, was a guest, and 16 members attended. The business of the meeting consisted of a discussion of pending revisions to the by-laws of the club and plans for future activities. The latter part of the evening was spent at games and prizes were awarded to Mrs. Virginia John, Mrs. Blanche Leuchter and Mrs. Carrie Curtright.

Guild. They are Mrs. Shelby Rhoades and Mrs. Carol Groves. The next regular meeting of the Evening Guild will be held Nov. 7 in the church hall.

NEW '61 CHEVY CORVAIR

More space... more spunk and wagons, too!

The newest car in America: the CORVAIR 700 LAKE WOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans, it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its body by Fisher.

Here's the new Chevy Corvair for '61 with a complete line of complete thrifty cars. To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon... quicker-than-ever cold-start warmup so you start saving sooner... a new extra-cost optional heater that warms everyone evenly. Riding along with this extra economy: more room inside for you, more room up front for your luggage (sedans and coupes have almost 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things.

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor. Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room as ordinary wagons (third seat optional at extra cost).

USO Aids Local Servicemen, Those At Depot Monday Last Day To Register For Nov. 8 Election

Those who give to the United Fund drive, which moves into high gear on Oct. 13, will be aiding among other things, local and national servicemen and their families, the Granite City USO (United Service Organization).

United under the USO banner on the national level are the National Catholic Community Service, National Jewish Welfare board, the YMCA, the YWCA, Salvation Army and National Travelers Aid association. Since this is the initial year the United Fund has made an allocation for USO work, the apportionment is a nominal one of \$100.

Set aside for the Servicemen's center, operating through and within the YMCA, is \$2000.

Uran M. Chairman, Ray Uram, 2418 Lynch avenue, is Granite City USO chairman. In a statement, he said that what upon the work scope and area benefits of the USO, Uram reports:

"Presently, there are about 600 military personnel stationed at the U. S. Army Engineer & Depot. In addition to this, there are approximately 515 from the Tri-City area in the armed services.

"Aside from the responsibility of the USO otherwise assumes, we attempt to show the military personnel who come in contact with our community through service to our country that they should return after their tour of duty, bringing their families with them."

"Who knows, perhaps they will be responsible for new industries to be the future leaders of our community?"

"It is indeed a tribute to Granite City, an All-America city, to pay respect to the men who pledge their lives to protect our country."

Separate and quite distinct in its own way is the Servicemen's Center.

USO Activities At Y

It has a multifold purpose, which has been tallied in list, as follows:

- A program permitting military personnel and their dependents to utilize the YMCA swim pool.
- YMCA assistance in training life guards for the Engineer Depot swim pool.
- Use of the YMCA basketball court for practice and games.
- Integration of men from the depot in the Y's industrial league based on the community.
- Provides an area for social and sports activities of Negro soldiers at the depot.
- Additionally, the center, co-operating with the Servicemen's Center, affords shelter for transient military personnel.

1953 Programs, Services

In a nose-count of 'Y' facilities use under arrangement with the Center, services and programs were utilized 1293 times. This does not represent the number of individual users in 1953, but the total service provided.

An additional entry is to be noted on the Servicemen's Center program. This is a "co-educational" social program of hikes, study and hobbies, which is in its incipient stages.

For the statistical minded, here's the 1953 allocations by the Y to health, welfare and character building agencies:

UF Agency Budgets

Boy Scouts of America, \$39,900; Girl Scouts, \$18,400; Madison Teen Town, \$1000; Y Teen Town, \$8000; YMCA, \$47,100; Boys Town of Illinois, \$3100; Cedar Charities, \$29,074; Protestant Welfare, \$12,700; Salvation Army, \$19,880; Aid to Retarded Children, \$5018; Mental Health Association, \$7500; Visiting Nurse Association, \$3300; Health Services Fund, \$13,000.

American Red Cross, \$25,816; AF-CIO Community Service, \$5500; Servicemen's Center and USO, \$2100.

This, naturally, is dependent on the fund-raising drive reaching its goal of \$285,461. Not listed are funds set aside for UF administration and reserves for shrinkage.

Mrs. Stella Harrigan, 78, Dies At Hospital

Mrs. Stella Ann Harrigan, 78, of 3016 Dale avenue, died Monday night at St. Elizabeth Hospital, where she had been a patient for one week.

She was the widow of Robert Harrigan, former toll collector at McKinley bridge, who died in 1954.

Mrs. Harrigan was a native of Calhoun county, Ill. She was a member of the Royal Neighbors of America Camp No. 3334, and Sacred Heart Altar Society. She had resided here for the past 40 years.

Surviving are two daughters, Mrs. Lucile Read, Granite City, and Mrs. Dorothy Lockwood, Orleans, France; a sister, Mrs. C. W. Kinnman, Jonesboro, Ark., and a brother, Chester Knight, Hamburg, Ill.

Funeral arrangements and services are listed in today's obituary column.

Verba Retires From American Steel Plant

Announcement is being made of the retirement, effective this week, of Jerry Verba from 47 years of service at the American Steel Foundries. A resident of 912 Iowa street, Madison, he was honored at a brief retirement ceremony, with Elzie Sheppard presenting a clock-radio on behalf of fellow employees.

Verba was employed at the American Steel plant for 47 years. He was a member of the inspection department staff.

Four Scout Units Added In Organizing Campaign

Results already are being obtained from the Cahokia Mound Council's fall 1960 "minute man" program to organize new units, and it was reported this week by Wally Orr, council organization and extension committee chairman.

First new unit is Troop 72 of Hardenville, the second is Pack 97 of the Good Shepherd Evangelical United Brethren Church, the third is Troop 98 of the Harville road school and the fourth is Explorer Post 13 of St. Elizabeth Catholic Church.

Orr listed Post 13 adult officers as James Haack, institutional representative; Mike Krikan, committee chairman; and James Blokhous, advisor. Troop 98 has Glen Lilly as representative. Roy Mitchell as chairman and Charles Smart as scoutmaster, while Pack 97 is led by James Sherman, representative; Roy Thompson, chairman; and Al Ritchey, cubmaster.

Roadwork Contract Let For Interstate Route 70

A \$1,866,207 contract has been awarded for .64 mile of concrete pavement on Interstate Route 70 and .76 mile of base course and resurfacing on Route 111, south of the Quad-Cities and about two miles northeast of East St. Louis. The contract was awarded to S. J. Groves and Sons, Springfield, by the Illinois Division of Highways. It was announced this week.

Owner of Lot To Charge City For Future Use

City street and sanitation employees are being instructed not to park city vehicles or their own autos on the vacant lot across the street from the city garage at 19th and Benton streets.

The order was issued Monday night during the city council session when a letter was received from the lot owner, Harry Hamnerman, who said a fee would be charged the city in the future.

Hamnerman said that because of high taxes, it is no longer practical for the lot to be used for free parking, especially city-owned vehicles and equipment.

Supt. of Streets William Warfield was called upon to instruct city employees to halt the use of the lot. Warfield said if any city equipment was parked on the lot, it was only for a short period of time.

Mercer Can Clinch Title With Victory Sunday

Angeloff Opposes Bauza In Crucial 2nd Game of Inter-City Cup Series

A single victory is all that remains between Mercer Funeral Home of Granite City and one year's possession of the President Vernon Lucas Cup, highest team award in the Southwestern Illinois Inter-City Baseball League.

Victorious by a lopsided 11-2 margin over State Savings and Loan of East St. Louis on the losers' diamond last Sunday, the Mercermen could wrap up the playoff title by winning again at Wilson Park this weekend.

The game will be played on diamond No. 1, beginning at 2 p. m. Sunday. Likely opposing batters are the top performers on each mound staff, Ed Bauza for State Savings and Andy Angeloff for Mercer.

If Howard Datt's East St. Louis can even up the series Sunday, it will mark the first time this season that State Savings has been able to measure the Blue division champions.

The Otis Miller-Dick Portell combo flattened Sunday's visitors on opening day, 7-0, best them again in East St. Louis on Aug. 7 by an 8-3 score and added its third consecutive win in the playoffs last week.

Mercer, helped in no small way by late-season trades with Granite City's Sacred Heart, has tremendous momentum going. The club finished the regular season with a 13-3 mark and, with playoff games considered,

is riding the crest of a seven-game winning streak.

The surge to the Blue loop pennant and the finals of the cup series has been due to a combination of awesome power at the plate and the best pitching in the league. Angeloff leads the five-man Mercer mound corps with an 8-1 won-lost record, and the other hurlers, Jack Buente, Portell, Ronnie Parlier and Joe Holder, also are above 500, too.

Season batting averages are yet to be released by League Secretary Henry Huser, but Angeloff is a clinch to win the batting title, quite an accomplishment for a pitcher.

It is already a foregone conclusion that Mercer also will win the team batting average race, for bunched behind Angeloff are the top sluggers in the Inter-City league are John Modruski, Don Crabtree, Rich Branding, Charles Johann, and Bill Dial, not necessarily in that order.

State Savings is the dark horse of the Red division. The club finished third in the standings, but rose up to knock off the Hearts and the division champion, McTackin

Rulek of Collinsville, in preliminary playoff games, currently, Dart's crew stands at 14 wins and 11 losses, with six of those defeats suffered before the break for the all-star game, after which the club seemed to catch fire.

Bauza is not only Dart's top hurler (with a 6-3 record), but he also leads state at the plate in the power department. If he can check rampaging Mercer Sunday—something he has been unable to do in two previous starts—a third and deciding game must be played the following Sunday, Oct. 15. The rival managers will decide on a site this weekend if such a game becomes necessary.

Griggs Named Back of Week Second Time; Harris Top Defensive Player

Ken Griggs was named "back of the week" for the second time this season by Madison high school football coach Glen Pickering. Tackle Mike Harris, who drew the nod as "lineman of the week" once last season, was accorded that honor following the Trojans' 6-6 stalemate with Cahokia.

Griggs, for the second time this year, led Madison offensive backs in the rushing department. Called upon on 20 occasions, the 155-pound junior halfback responded with a total net gain of 80 yards against the Comanches, an exact four-yard average per carry.

Harris, a 175-pound senior who was named to the Press-Record's all-conference second team last fall, was given final consideration by Pickering for his play on defense.

Penelton Ups Lead In Grid Scoring Race

Head-charging Edwardsville Subban, Tony Penelton, who took an early lead in the individual area prep football scoring race during the first week of the current season, all but sewed up the district scoring title last week when he scored 31 points against Wood River to boost his total output in three games to 62 points.

Penelton, a 195-pound senior who was hampered by injuries most of last season, ran for five touchdowns and one extra point. Benny Iselhardt's Tigers flattened the Oilers with surprising ease last Friday, 33-19. The fine individual performance boosted Penelton 25 points ahead of his nearest competitor, Collinsville's Fred Kriemeyer and Ed Weiss of Assumption, each of whom has tallied 36 points in three contests.

Kriemeyer crossed Granite City's goal line twice last week in a 24-0 Kahok victory, while Weiss scored three times as the Pioneers routed St. Mary's 32-21.

Other area players who added at least two six-pointers to their season totals last week were Jim Anderson of Cathedral, Babe Rousseau of Belleville, John Willis of East St. Louis, and Larry Mauch of Cathedral.

Only local player listed among prep performers who have counted twice or more this season is Madison's Ken Griggs, tied for 13th place with four other high school gridgers at 13 points.

Players who have scored at least 10 points or more in this area are:

Black Label Is Schlitz Opponent In SIBPA Saturday

Fourth place Schlitz Beer of Bowling is pitted against Black Label Beer (5-10) of Belleville at 7 p. m. Saturday as the Southern Illinois Bowling Proprietors Association Classic league moves to Bel-Bola Lanes in Belleville. The Falstaffs are 11-4 after five weeks of leading.

In the headline match, first place Alton Falstaffs, winners of the last nine games, will take on 10-5 Reverse Room of Collinsville. The Falstaffs are 11-4 after five weeks of leading.

Ripley Bowling Pins of O'Fallon, tied with Reverse Room for second place, is matched with Loman's Bowlers Shop (5-10) of East St. Louis, while Rusty's

(6-9) of Belleville and Pepsi-Cola (33-114) of East Alton will hook up in the final match. Bowlers really warmed to their tasks in the loop last week at Wood River Bowl, averaging 201 pins per man. League-leading Falstaff's average of 974 pins is topped by four other loop teams, including Schlitz, tied for first in the 9th department with Ripley. Both are averaging 982 per three-game set.

PRESS-RECORD PREP FOOTBALL PICKS

Edwardsville or perhaps it was Wood River. Was the big surprise so far as teams figuring in the Press-Record's weekly football picks were concerned last week.

The Tigers—or more properly, Tony Peniston—33-19 win was one we didn't see that way in a weekend of nine correctly picked out of 11 games considered. The other miss was the 6-8 Madison-Cahokia tie, resulting in an 818 average for the week and selection of 21 winners in the 38 games played in this area in the past three weeks.

With the 815 overall percentage on the line, and likely to drop with this week's tough schedule, here's the way we see them:

| | |
|-----------------------|---------------------|
| Alton 17.2 | Granite City 15.9 |
| Dupo 22.8 | Madison 15.9 |
| Collinsville 30.4 | Edwardsville 25.3 |
| Belleville 28.1 | Wood River 28.9 |
| E. St. Louis 36.1 | Centralia 28.9 |
| Bosana 25.8 | Highland 6.4 |
| Cahokia 7.0 | Bethalto 6.0 |
| Jerseyville 19.7 | Stanton 11.5 |
| Western Military 28.5 | John Burroughs 16.4 |
| Assumption 27.8 | CBG 15.6 |

Parker, Dupo Bring Aerial Circus To Madison Friday Night In Midwestern Conference Game

Madison high school's sluggish football offense must show some sizeable improvement here Friday night if the Trojans are to be contenders in a game with Dupo's Tigers, picked to win the Midwestern Conference championship this season.

At least that was the opinion of Trojan Head Coach Gene Pickering this week as his squad again concentrated on the so-far-toy problem of perfecting ways to outgain the opposition. Madison has been on the short end of "net yards gained" statistics in two of its three games this fall, which have included two losses and a 6-6 tie.

"I'm still looking for someone who likes to block at the wing-back position," Pickering said in naming "either or" Carl Drayton and Frank Kitchen as starters at that important spot in the Trojans' wing-T offense.

Petty To See Action
Junior Ed Petty is likely to see considerable service at quarterback against Dupo, Pickering predicted, as Madison searches for a signal-caller who can keep things rolling. Petty, a 155-pounder, becomes eligible to play Friday after missing early season practices. Fifteen seasons are required by the IHSA.

Pickering will go with Mick Gravelle at quarterback when the contest gets underway, but is likely to shuttle Petty in and out with plays. The Madison coach has been calling nearly every offensive move from the sidelines this year, due to Gravelle's inexperience.

Cooper Moved Up

Sophomore Walt Cooper has been promoted to the first team in the aerial left end for Friday's game, replacing Nick Pavlov. Again it was lack of blocking that prompted the change.

Elsewhere along the line, the lineup remains much the same. Sophomore Guard Sam Dymas is hobbled with an ankle injury, and Fred Becker will probably see more action at that spot.

Pickering said.

Ed Young, who played his first time last week against Cahokia, and Sophomore Terry Andrews will split the fullbacking chores.

Madison dwelt in the area of pass defense this week, and for good reason. So far this year Dupo Quarterback Jim Parker has been by far the best passer in the conference.

Aerial Show By Parker

He threw for two touchdowns last week as the Tigers drubbed Highland 20-7, and accounted for 100 yards gained through the air in the game.

Does Pickering expect Dupo to employ a passing game in Madison Friday?

"Certainly," said the Madison coach.

mentor. "I watched them against Cathedral two weeks ago in a driving rainstorm, and the first play of the ballgame was a pass."

The Tigers were beaten in the first half, 6-0, but downed Illinois School for the year in the opener 20-0, with Parker again having important series.

Parker, a 205-pound senior quarterback who failed to come into his own last year following a leg injury in the second game of the season, has two favorite targets. End Barry Rideout and fullback Eldon "Sonny" Pratt. Each has caught two TD passes this season.

The big quarterback also can ramble on his own out of Dupo's wing-T formation, as can 150-pound Pratt and 185-pound fullback Al Ingram, who scored from 15 yards out against Highland last week. The speedster in the tiger backfield is Right Guard Jim White, who weighs 150.

Light, Experienced Line
The experienced line averages out at 182 pounds per man, while the line is 13 pounds lighter individually. The only real

bulk is at left tackle, where 185-pound Doug Edwards holds forth, and at right guard, where 194-pound Rich Ruiz has been moved in to replace Scotty Ruiz (165), who will play end Friday.

Madison will outweigh Dupo by nearly 15 pounds per man up front, but the Green forward wall lacks the experience which characterizes the Tigers. Who have five regular linemen back from last season.

Incidentally, the Trojans, defeated Dupo there last season 7-6, when Steve Rydigid booted an extra point from placement that proved to be the difference.

Olds That Are "New" On Show Today at Woodrome

The Quad-City's "Motor Age" better known as Madison Avenue today introduces the 1961 Oldsmobile at the premiere showing at Woodrome Oldsmobile, Inc. sales and service at 2261 Madison Avenue.

This "red letter" date on the Oldsmobile calendar will be accompanied by free coffee and doughnuts to those who visit the gaily embellished showroom, and the opening show will continue through Saturday.

On exhibit are the 1961 Oldsmobile Dynamic 88's, Super 88's and 98's, and the new, smaller Olds—the F-85.

William "Bill" Woodrome, president of the sales and service organization, in inviting public inspection of the new entries into motordom's parade, said: "The '61 Oldsmobile Dynamic 88's and Super 88's and 98's, in 18 different models incorporate

the greatest changes in styling and design to be introduced by Olds in many years.

"In addition to their completely new, fresh and distinctive look, many design changes for passenger comfort have been made to make the 88's and 98's more attractive; head room is increased, the cars are much easier to get in and out of, and seating comfort is greatly improved.

"This along with mechanical advancements makes the 88's and 98's the most alert, best performing and smoothest riding and handling cars in the car's history."

Not to be given second position in any wise, Woodrome noted, is the F-85, the new, smaller Oldsmobile.

"The F-85 brings traditional Oldsmobile quality, performance and styling into the low-price field for the first time. This new addition to the line will open up the opportunity of Oldsmobile ownership to a much larger segment of the car-buying public than ever before."

Season Golf Awards At Country Club

Awarding of golf trophies for the 1960 season at Sunset Hills Country Club was announced this week by Sidney Aubrey, president.

The final event for the championship of all flights was played Sunday and the winners are as follows: women's championship, Mrs. Leila Daniel, with Mrs. Hilda Bowen both of Granite City, as runnerup; men's championship, Charles Knufinke of Granite City and Richard Stolze of Edwardsville, runnerup; women's A-class, Mrs. Ruth Alexander, runnerup; men's class-B, Rose Durham, Ed Schroot, both of Edwardsville, runnerup; women's class-C, Mrs. Roberts Weir, runnerup; Mrs. Arlene Rayburn of Edwardsville; men's class-C, James Holland and runnerup F. B. Barclay, Melva class-D, Robert Stulken, Edwardsville, and runnerup Walter Francis of Granite City.

Trophies also were presented for the ladies spring handicap. The winner was Maxine McDowell of Granite City. Runnerup was Mrs. Blanche Ohl of Edwardsville. The traveling "Mr. and Mrs." trophy went to Mr. and Mrs. Leo Doebelin, all of Granite City.

The awards were made at a buffet dinner for 175 persons. Ray Cori of Edwardsville, served as master of ceremonies.

Trojan Harriers Edge Highland School, 26-31

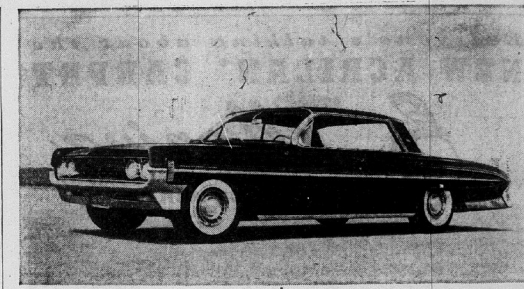

The third cross country outing of the season for Madison high school's harriers proved successful—by the slimmest of margins on Monday afternoon.

Running a mile-and-8/10ths course at MHS, the Trojans placed runners in the second, third and fifth positions as Earl McClanahan's squad edged visiting Highland, 26-31.

The event was won by Highland's Jim Dauberman in 10:06.5. Madison's Ed Walker was second, Dan Trotter third, George Russell fifth, Tom Lubak seventh and Mike Garcia ninth. Russell Lubank and Garcia are all sophomores.

OLDSMOBILE'S ALL-NEW and distinctive styling motif for 1961 is exemplified by this Super 88 Holiday sedan, which along with the Classic 98's are featured in the new cars shown today at Woodrome Motors Inc., 2261 Madison Avenue. Also new at the show rooms is the smaller, new Oldsmobile, the F-85. Classic 98's and Super 88's are redesigned, restyled and repowered.

TODAY the Hundley Pontiac Co. rings up the curtain on the Pontiac for 1961, with a display under the canopy of its used car lot at 18th street and Grand avenue. Here is the rakish, four-door Vista hardtop, a car of the Bonneville series. The Vista is also available in the Star Chief, Ventura and Catalina series, all shown by Hundley.

Despite Fire, Pontiac's '61 Show Opens Today

"The show must go on" is a credo of the stage. In agreement with this tradition, the show goes on today as the Hundley Pontiac Co. unveils the 1961 Pontiac.

The display of the new in the Pontiac line is under the Hundley used car lot canopy at 18th street and Grand avenue.

A month ago, fire razed the Hundley display rooms and office headquarters at 3801 Madison avenue. Office and sales room were moved across the street to 3906 Madison avenue, and emergency measures have been taken for the 1961 premiere of new models.

Walter G. Hundley, president and owner of the motor sales company, said today that "Pontiac for 1961 has combined dynamic new styling concepts with significant engineering advances to present the most exciting new car in its 53-year history."

Hundley, for today's opening,

invites the public to inspect the four-door Bonneville hardtop; the lower priced Catalina series, available in seven different body styles, the Ventura.

"Comprising Pontiac's Ventura series," Hundley noted, "which achieved widespread public acceptance during its initial year of production, are a two-door sport coupe and four-door Vista hardtop."

"The new hardtops convey a distinct youthful appeal with exclusive decor and excellent multiple combinations of seat coverings."

"Altogether," he continued, Pontiac has 15 new, eye-appealing models in four versatile series, precision designed to set new standards in car beauty, reliability, performance and motor comfort.

"With this new line, Pontiac is sure to strengthen its position of leadership in the medium priced field."

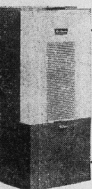

Motorist In Accident Faces 'Yield' Charge

A Collinsville motorist, Leo W. Cline, 49, was charged with failure to yield right-of-way following a two-car accident Monday afternoon at 21st street and Lee avenue. He posted his driver's license as bond.

Cline told police he was going north on Lee avenue and after observing a stop sign at 21st street was maneuvering his auto to get out of the way of a truck making a left turn when he was involved in a collision with an auto operated east on 21st street by Perry L. Flaughner, 48, of Rural Route Four, Edwardsville. No injuries were listed.

Section of State St. To Be Opened To 2-Way Traffic

Elimination of a traffic bottleneck at Niedringhaus avenue and State street is underway by the city council, acting on request by the Associated Retailers to open to two-way traffic a short section of State street traffic between Niedringhaus avenue and 21st street. State street is to remain one-way northbound from 21st to 24th street.

It has been discovered that with a no-left-turn restriction for northbound State street traffic at Niedringhaus avenue, motorists are confused as to how to return to the business district.

At present, they must turn right on to Niedringhaus, go to the Grand avenue traffic signal and attempt a near-180-degree left turn onto 21st street.

The council placed the two-way ordinance on first reading Monday night along with another ordinance establishing a four-way stop at the 21st and State streets intersection.

Pack 97 Chartered With 12 Cub Scouts

Twelve cub scouts have been listed as charter members of a new unit, Cub Pack 97, which has been formed at the Good Shepherd Evangelical United Brethren Church, National and Sunbury avenues. They are Richard and Roy Bailey, Steven Brown, Phillip Bryan, Charles Burgess, Mike Foster, Randy Howard, Johnnie Kearley, Vernon Skipper, Lynn Smith, Ricky Thompson and Michael White. Alford W. Ritchey is cubmaster and Milburn Smith, assistant cubmaster. Den mothers are Mesdames Jean Thompson, Altra White, Georgia Howard and Peggy Morelan. Roy L. Thompson is chairman, with Carl D. Waite and James Morelan as committee members, and James R. Sherman is institutional representative.

Dr. Berman Hospitalized

Dr. H. B. Berman, a pediatrician with offices at 1322a Niedringhaus avenue, is a patient at Jewish Hospital in St. Louis where he is undergoing treatment. He entered the hospital Saturday and will be there the remainder of the week.

THE '61 PONTIAC IS OUT TODAY!

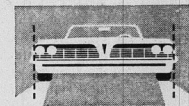

It's All Pontiac!
on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

Announcing the new Pontiac Trophy V-8 Engine! We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

More headroom, legroom, footroom for greater comfort! You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more hatroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.

THE ONLY WIDE-TRACK CAR!
Body width trimmed to reduce side overhang. More weight balanced between the wheels. No other car hugs the road with such sure-footed stability and precision.

ISN'T THIS YOUR BIG YEAR FOR A WIDE-TRACK PONTIAC? IT'S ALL PONTIAC!

Big Question On Use Of Electric School Signal

Who's to maintain a portable electric traffic signal at the 28th street and Madison avenue intersection?

The question was debated at length Monday night by Granite City council members.

During the discussion it was brought out by Seventh Ward Alderman Charles Meyer that Niedringhaus school PTA can't afford to operate the light, the school board who arranged for its operation last year has declined this year and the city feels that it furnished the light but should not be responsible for seeing that it is placed in the street and taken out.

Meyer said the light has not been in operation this year, and it was recommended the mayor or city attorney confer with school officials to determine if the school district will take over the responsibility.

Council members agreed that since the city bought the light and takes care of battery replacements, it should not be required to see that the battery is recharged regularly and that it is placed in the intersection during school hours.

"The city shouldn't have this responsibility. We don't have it for other such lights at schools," Meyer pointed out.

A suggestion was made by Alderman Robert Gaughan that should the electric signal be eliminated, the city make other provisions to protect school children using the intersection.

"After all," he said, "What's the cost of the light operation compared to the life of a child."

The Most Trouble-Free Car...

RAMBLER ANNOUNCES STRONGEST GUARANTEE IN AUTO HISTORY

LIFETIME GUARANTEE ON NEW CERAMIC-ARMORED MUFFLER AND TAIL-PIPE STANDARD ON ALL '61 MODELS

Born of space-age developments, Rambler announces on all 1961 models a new Ceramic-Armored muffler and tail-pipe guaranteed against defects for the lifetime of the car while in the hands of the original owner. This covers total replacement cost including parts and labor. Every '61 Rambler muffler and tail-pipe is completely covered with a special ceramic coating—similar to that used in rockets and missiles—to give lasting protection against rust and corrosion caused by water, salt and acids. Another Rambler first!

12-MONTH, 12,000-MILE WARRANTY EXTENDED TO ALL NEW RAMBLER OWNERS

Now Rambler extends to all new Rambler owners its comprehensive full-year or 12,000-mile warranty, whichever occurs first. In fact, this liberal warranty, announced to dealers more than a year ago, also covers total replacement cost including parts and labor. It applies to all 1961 Rambler models and to 1960 Ramblers still within the warranty period. The normal industry warranty covers only 90 days or 4,000 miles.

Mirific Official Scores GC Solons On Condemnation

Granite City was taken to task in a letter read Monday night to council members from A. J. Thompson of the Mirific Products Co. main offices, Canton, O. Thompson scored the city for attempting to condemn the firm's local plant at 24th and Adams street.

"It has been called to my attention," he said, "that action is being started in Granite City to proceed against Mirific Products Co. and to 'run' through legislation without proper notice."

However, undaunted council members voted for City Attorney William Beatty to proceed with the condemnation, pointing out the sheet metal building was in a state of deterioration and a blight to the neighborhood.

The action was taken over protest by Alderman Mrs. Gabrielle Beline, who said the city might have acted hasty and without giving notice to the firm. City Atty. Beatty replied that at least two letters had been sent to the company asking them to clean the property and that he had talked personally to the company's local attorney.

In his letter to the city, the Company official further stated the property was not for sale and had not been abandoned. He added that two men remain on the Granite City payroll and that the plant is on a standby basis and could be returned to operation within a two-week period.

The firm, which manufactures industrial greases, closed the local plant several years ago.

Thompson also related in his letter that the plant was built in 1921—before any houses were erected nearby.

The request for continuation of the condemnation was made by Alderman Donald Farney and Charles Meyer.

Housewife Has 'One-Man Art Exhibit At Library

A Granite City mother and housewife who has given expression to longtime art interests in oils, watercolors, portraiture and sketches is having a "one-woman" show, the city's first now on exhibit in the main reading room of the Granite City Library.

Her gallery of some 30 paintings, 11 portraits and sketches in oils, watercolor, portraiture and sketches is having a "one-woman" show, the city's first now on exhibit in the main reading room of the Granite City Library.

The artist is Mrs. Bonnie Fuller, 2707 Roosevelt street, who has the distinction of presenting the first one-art exhibit in library gallery history.

Mostly Self-Taught

Mrs. Fuller's background includes work as commercial artist and study with E. L. Alassi, an instructor at the local high school. Otherwise, she says, she is essentially self-taught.

Many of the items on view are owned privately, and are on loan for Mrs. Fuller's exhibit. Other canvases are for sale. The show is open free to the public, and Mrs. Fuller and the library staff invite inspection.

Visitors will find portraits arranged over the fireplace, representing "sitters" young and old.

"These," Mrs. Fuller noted today "were painted mostly from

Venice Transfers Funds To School Lunch Project

The Venice school board Monday night approved transfer of \$2000 from the district's educational fund to the school lunch fund to cover payment of \$928 in cafeteria bills which will come due this month, similar expenses this month and payment of a \$500 payroll.

September bills totaling \$17,968 were approved for payment at the regular meeting. Included were \$12,821 in the educational fund, \$1,999 in the building fund, \$862 in the transportation fund and \$2,486 in the school lunch fund. Expense in the last category was \$1181 in the Venice cafeteria during September.

Supt. John O. Pier, members of the board, School Attorney Austin Lewis and Miss Moore Groshong, district guidance counselor, will attend the Oct. 10 dinner meeting of the Southwestern Division of Illinois School Boards at the East St. Louis senior high school.

Five panel discussions, including one on the importance of establishing and maintaining guidance counseling services in grade and high schools, are on the evening program.

Supt. Pier reported a "very good" rate of attendance by pupils in the Venice system during the first month of school. The average daily attendance at all schools was 96% of the enrollment figure, a report by Pier showed.

The board authorized the superintendent to purchase a replacement electric motor for a lathe to be used in the Venice high school shop department at a cost of \$49.

A Lincoln-Venice alumni group has granted permission to make use of the Lincoln gymnasium one night each week for the purpose of basketball practice. No particular night was stipulated in the approval.

Prison Terms For Two In Kidnaping Of Local Resident

Kidnaping of a 52-year-old Quad-Citizen, Steve Podnar, on July 31 resulted in prison terms this week for Robert J. Robins, 25, Austin, Tex., and Miss Victoria Murray, 18, San Antonio, Tex.

Podnar, who operates the Cloverleaf Trailer Court, 2019 Hildebrand street, Cloverleaf Addition, was forced to drive the pod from St. Louis to Chicago where he was freed Aug. 1 after being robbed of all but \$5 of the \$70 he had with him.

His slowness in obtaining the number of a Chicago taxicab taken by the kidnapers enabled authorities to trace them to a Chicago hotel, where they were arrested the same day.

U. S. District Judge Julius H. Miner, hearing the case in Chicago, sentenced Robins to 15 years imprisonment and Miss Murray, who was on probation, to three years. The Federal Bureau of Investigation said the man has a record due to a burglary of a Texas bank and post office, being paroled last Dec. 21 from Leavenworth Penitentiary. The girl told the FBI she was convicted for passing worthless checks.

In statements admitting that they forced Podnar to take them to Chicago after waiting for him in his parked car, the two said they left Austin, Tex., with another couple and split up in St. Louis county after Robins' car broke down and they hid a stolen car.

Reaching St. Louis on foot—the other couple was arrested near Lemay—Robins and Miss Murray decided to take Podnar's auto after seeing him park it.

Forfeits \$16 Bond

A \$16 bond was forfeited Tuesday by John P. Luddon, 32, of 2135 Benton street, who was arrested Monday evening by Granite City police on a charge of creating a disturbance. Luddon was arrested at that address and was to have appeared for a hearing Tuesday morning before Police Magistrate Gasparovic.

Stop Sign Charge

Donn P. Hornberger, 19, of 522 Jefferson avenue was arrested at 7:55 a.m. Tuesday at Broadway and Klein street, Venice, for passing a stop sign. He posted his driver's license as bond pending a hearing.

Weekends Boosting Accident Injury Rate

With weekends contributing heavily to the toll, traffic injuries are continuing at a high rate in the Quad-Cities.

The latest monthly tabulation shows 68 persons hurt during September, boosting the year's tally to 587, an average of 65 a month. At this pace, the year would see a new record of 782 injuries, topping the 734 recorded last year.

Even though the 68 figure was above this year's monthly average, it represented a sharp drop from the all-time high of 94 injuries occurring in the previous month, August 1960.

New Nine-Month Toll Never before have 587 injuries been listed for the first nine months of the year. Previous January-September high was 541 last year, and the 1959 rate was the worst since 1955.

September's 68 injuries occurred in 133 traffic mishaps, slightly under the current year's average of 137.

Accidents now total 1247, a rate that would reach 1649 by the end of this year, slightly under the record of 1637 set three years ago.

No Fatalities On the brighter side, there were no traffic fatalities in September, contrasting sharply with the August-September tally of seven deaths. With 14 killed so far, the area-wide toll is far less than last year's final total of 24. The January-September 1959 listing was 22, only two occurring in the last three months.

A comparison of the accident and fatality January-September totals shows 1237-14 this year, 1125-22 last year, 1021-14 two years ago, 1206-24 three years ago, 1117-21 four years ago, 1070-16 five years ago, 775-31 six years ago and 711-22 seven years ago.

The traffic death rate on local streets and highways so far this year has been one in January one in February, one in March three in May, one in July and seven in August. There were none in April, June or September.

Worthen Cites Managerial System Benefits to City

Good points of the managerial form of municipal government were enumerated for Granite City Kiwanis Monday night at the service club's meeting at the Elks club.

Speaker was James "Red" Worthen, a leading figure in the formation and activities of the Citizens for Council-Manager.

On Oct. 24, Granite City voters will ballot on the question of a change-over from the present mayor-council system of city government to that of council-manager.

In the course of his talk, Worthen said that if the referendum is approved, the number of aldermen will be cut from the present 15 to 4.

Worthen said that communities adopting the managerial form usually hire an out-of-town, trained executive for the post, and that the salary here would range between \$12,000 and \$15,000.

Worthen listed for the Kiwanis what he called some of the misadventures of the present city administrator prompting the organization of the Citizens for Council-Manager. He listed construction of the new main fire

station on Madison avenue, the Namsold sewers project and the proposed pollution abatement system of the East Side Levee & Sanitary District.

No formal expression of opinion, for or against the proposal was taken by the Kiwanis.

Vice-President William Herman presided, and Clarence Bohm of Edwardsville was a guest.

GC Housing Board Hears Architect Report

Mapping of plans for the proposed 100-unit Colony for the Elderly and consideration of requirements to be met in land acquisition for the project were matters up Tuesday night at the meeting of commissioners of the Granite City Housing Authority.

Architect Henry Gabriel told of results of his conferences with Chicago regional officials of the Housing Authority. He outlined something of the steps to be taken in perfecting plans.

The Granite City Housing Authority has announced plans for a housing development for elderly citizens. Site of the project has not been disclosed.

LOOK WHAT DODGE HAS DONE FOR COMPACTS

The name, Lancer: one hardtop; one 2-door sedan; two 4-door sedans; two wagons. What kind of cars are they? This kind: two feet shorter; many pounds leaner; a couple of hundred dollars less in cost than usual automobiles. Lancer welcomes a family of six lavishly. Has plenty of trunk. Its fully-united body is very quiet, very tough. Lancer is also mannerly. It corners decisively, takes a well scarred road with aplomb. Parks obediently. More reasons to buy? Read on. The interiors are rich, but simple: Shed soil, wear well, feel good. The engine is highly spirited, but extremely light on regular gasoline. One more thing, Lancer is built by Dodge. Our name is on it. This means Lancer will stay nice and shiny. How so? The body is rustproofed by an exclusive Chrysler Corporation process. Enough talk. Meet Lancer at your Dodge Dealer. Now.

A PUBLIC MEASURE Educational Institutions Improvements Bond Issue

Office of the Secretary of State,
Capital Building, Springfield, Illinois

Statement and suggestions prepared by the Secretary of State and approved by the Attorney General of the State of Illinois.

To the County Clerk of Madison County, Illinois:

To the Voters at the General Election to be held through-out the State of Illinois, Tuesday, November 8, 1960.

That the Madison County Board of Supervisors of the Third General Assembly of the State of Illinois a proposition is to be placed as a public measure to be voted on at the general election on or before November 8, 1960, and the proposition to appear on a separate white ballot.

That the Madison County Board of Supervisors of the Third General Assembly of the State of Illinois in such cases made and provided, the following Statement and Suggestions has been prepared for publication and posting as being necessary to afford a proper understanding of the proposition to be voted on.

STATEMENT AND SUGGESTIONS

Scope of the Building Program. Proceeds of the bond issue authorized by Madison County voters to maintain a separate university of Illinois, Southern Illinois University, Eastern Illinois University, Illinois State Normal University, Northern Illinois University, and Western Illinois University.

The term "permanent improvements" is defined in Section 3-1 of the Illinois Constitution as "improvements to existing construction enlargement, and rehabilitation of buildings (Future General Assemblies will determine what specific improvements are to be made).

Term, Interest, and Sale of Bonds. The bonds are to be fully retired within 25 years of issue, and they are to bear 4 percent annual interest. The bonds are to be sold at par.

State Capitol NEWS

Dr. Paul W. Parnell, curator of zoology at the Illinois State Museum, is probably exposed as often as anyone in the state to questions concerning zoology. He has received long telephone calls, special delivery letters and even telegrams, asking him to solve such questions as: "Which animal lives the longest?" (The giant tortoise may live to be 152 years old).

What is the world's fastest animal? (An Indian hawk, the golden-tailed swift, has flown at almost 220 miles per hour.

Can a dog outrace a horse? (The Arabian saddle has been known to outrun the fastest Arabian horse).

Which is faster, a fox or rabbit? (The fox, on a straightaway).

Many a fisherman's friendship has been severed over debate as to the oldest age of a catfish. Records show that some catfish, one of the longest-lived fish, have reached the ripe old age of 60 years. At the other extreme, the mosquitofish is an old-timer at two years.

Two common insects have the distinction of living the longest and shortest lives. One of the cicadas, or locust, can live to be 17 years old (though most die after those years in the ground). The housefly's life is usually finished after a few months.

Back to the speed department: the trophy for fleetest-of-foot animal would go to the cheetah, which has been clocked at 70 mph. A horse has been ridden as fast as 40 mph, and man can run the mile at slightly over 15 mph.

Any questions? Send them to Dr. Parnell at the Illinois State Museum, Springfield.

Adoptions in the state continue to increase, according to Dr. L. L. Farnace, director of the Illinois Department of Public Health. Illinois courts handled 6199 adoptions in the fiscal year ending June 30.

Again, boys were more popular than girls, and almost 85% of the children were adopted prior to age 10.

About one-third of the adopted children... At least 11 of this group went into homes where there were already eight or more children.

Effective Jan. 1 of this year, the adoption law of Illinois permits adoption of adults, and there were 36 persons over age 20 for whom notices of adoption were received.

Twenty years ago this month officers and men of the 202nd Coast Artillery, Battery of the Illinois National Guard were inducted into federal service for intensive field training prior to world war II. The Chicago outfit was the first of the Illinois National Guard units to be inducted into federal service.

Within six months, all Illinois National Guard units had been inducted into federal service. A total of 15,599 officers and men.

Apparent low bids totaling \$27,062,000 for highway construction and related projects in Gov. William G. Stratton's 1960 road program were announced last week by the Illinois Division of Highways.

A total of 4,047,279 tons of coal was mined in Illinois in August, according to a report to Gov. William G. Stratton by Ben H. Schull, director of the state department of Mines and Minerals. This is 1,392,278 more tons than were produced in July and 401,228 more than in August 1959.

Governor William G. Stratton has announced that he will recommend Illinois law be liberalized for this state to participate in new Medical Care for the Aged program being set up by the federal government. Governor Stratton said: "I will plan law and budget changes so that Illinois citizens can participate in the federal plan, and will recommend to the General Assembly that the state match federal funds and broaden the eligibility laws for those elderly persons who need medical care but are not now covered."

The governor has asked the Illinois Public Aid Commission to study the new federal law and determine what changes are necessary in the Illinois law.

'First Nighters' In SA Recreation Review

It was opening night Wednesday for the new Salvation Army Recreation center at 1824 State street, Granite City, and "first nighters" included a galaxy of youngsters, Army officials and corps members.

Housed in a reconstructed warehouse, the center is open, free, to all Quad-Cities elementary and high school pupils up to and including those in the 12th grade. Spread out before them last night were games, shuffle board, ping pong tables, chess and checker boards, dominoes, a TV set, small reading library and soda and candy.

Refreshments are not on the free list, but all other services and facilities are available without cost. Capt. Mildred Walker, commander of the Army corps here, pointed out.

Lee Reid is director of the new center for youth, and it is to be open from 7 to 9 p.m. on a regular Monday, Wednesday and Thursday schedule.

CHINESE AND VIETNAMESE Army officers are shown during an orientation tour of the Granite City Engineer Depot. They also visited the Granite City Steel Co., and are touring U. S. military installations elsewhere. Those in the foreground (left to right) are Col. Chen, Wen-hui; Col. Li, Ling-hen; Maj. Gen. Ch'ien, Chun-ming, commanding general, Engineer Command, Second Field Army, Chinese Armed Forces; Lt. Col. Robert L. McKinney, who was acting Depot commander on the day of the tour; Lt. Col. Phan

Dan Lon, chief of the ARVA Command, Vietnam; Lt. Col. Tran Ngoc Thuc; and Maj. Le Van Hai.

Those in the back row are Col. Wang, Ch'ing-yu; Lt. Col. Robert T. Willets, local escort officer for the Chinese officers; Col. Maj. Ting-fang; Lt. Col. Leason K. Watson, deputy to Col. McKinney; Capt. Van Nghia; Maj. Nguyen Chan; Maj. Doan Van Kieu; and Lt. Col. James W. Lewis, local escort officer for the Vietnamese officers.

Health Dept. Committee Cites Other Counties

Three local residents are available to provide information to interested individuals and groups on the Madison county health department proposal to be voted Nov. 8, it was reported this week.

They are Harry Wood, Miss Mary Cowan and Dr. Felicia Koch, all of Granite City. Others in a list of 18 county residents include County School Supt. Wilbur Trimpe.

The volunteer committee organized to support creation of a county health department pointed out today that there are such health departments in Cook county, with a population of 5,081,000; DuPage county, 214,000; and Lake county, 214,000. St. Clair county, with 25,000 people, does not have a health department but has a health district serving four townships—East St. Louis, Centerville, Canteen and Stiles.

"Of the big five," this leaves

only Madison county without a recognized official public health department," the sponsors commented in a statement. "The state provides \$1 for every 83 budgeted."

"Sanitation services as provided by a county health department are often considered most important because violation of sanitation laws may not only become a nuisance but actually a public health hazard. These services include inspection and regulation of milk and food supplies; sewage disposal; water supplies; restaurants, nursing homes, hotels and other public buildings; and garbage and refuse disposal."

While services to be rendered generally would be up to a county health board that would be appointed after creation of a health department, the committee predicts that the services would include sanitation, public health bookkeeping, communicable disease control, maternal and child health, laboratory services

Truck Driver In Crash Fined \$5 And Costs

A truck driver involved in an accident Wednesday morning on Niedringhaus avenue at the railroad crossing was fined \$5 and cost on a charge of following too closely.

He was Arnold H. Tommer, 36, of Edwardsville, driver for a St. Louis trucking firm. Police said he was driving east and struck the rear of the east-bound auto of Jean F. Barr, 33, of Apt. 2 Bldg. 15, at the Granite City Engineer Depot. Two children were in the Barr auto but no injuries were reported.

health education, dental health and public health services for the aged.

"No municipality of less than 100,000 people can afford to establish and maintain a health department with adequate services of the quality that Madison county residents need and should have. This can only be done by providing for an adequate county-wide public health department."

Sports Car With Flat Tire Struck By Hit-Run Driver

A small sports car with a flat tire, parked on Madison avenue near 20th street, was damaged Wednesday morning when struck by a hit-run driver.

Police said the owner, Shirley Scarstate, 23, of 4010 Park avenue, had gone for assistance and discovered the car had been struck when she returned. The hit-run car, described as a 1949 or 1950 grey auto, was traveling south. It struck the left side of the sports car.

Crash On Madison Ave.

Involved in a collision in the 2000 block of Madison avenue yesterday were autos driven by Beny R. Cooper, 17, of 1705 Fifth street, Madison, who was driving north, and Elva R. Worley, 20, of 2425 Wilson avenue, who was traveling south. Police said there was damage to the front of the Cooper auto and to the left side of the Worley car. No injuries were listed.

Parking Meter Receipts \$132-A-Day Last Month

Granite City's parking meter receipts, totaling \$3308 for September, were far under the \$4033 collected in August from the meters and from violators. It was reported this week.

The daily average income for the 25 days operation last month was \$132.31, as compared to \$161.37 in August.

So far this year, the city's parking meter revenue totals

\$31,840 for nine months operation, as compared to \$32,029 in the same nine-month period in 1959. The peak year of 1956 showed an income of \$37,244 in the same length of time.

A breakdown of the receipts by months follows:

January — \$3192, February — \$3184, March — \$3576, April — \$3017, May — \$4416, June — \$3330, July — \$3162, August — \$4033 and September — \$3308

Auto Radiator Boils, Cx Firemen Respond

Firemen from the main station were summoned to the 2500 block of East 25th street about 7:30 p.m. Tuesday when the radiator boiled on a 1958 auto owned by Dan Clemen. Firemen said there was no fire damage.

Handbag Found

A woman's patent leather handbag, found at Nameoki road and, Madison avenue by Joseph Rice, 2044 Fourteenth street, was turned over to police Tuesday night. Its owner was listed as Sheila Crump, 2428 State street and it was turned over to Roland Crump of that address.

Armenian Prelate To Be Visitor Here

Bishop Hrant Khatchadourian, Prelate of the Armenian National Apostolic Church of America, is currently on a tour of the churches within his jurisdiction, will visit the Armenian communities in Granite City, East St. Louis and St. Louis "this weekend."

The bishop will arrive in St. Louis by plane Saturday evening, where he is to be met by Rev. Gorum Shirikian, members of the board of trustees and a group of parishioners from St. Gregory the Illuminator Church, 1732 Maple street.

At 10 a.m. Sunday, Bishop Khatchadourian will be the celebrant at a Solemn High Mass at the church, and will be assisted by Rev. Shirikian and Deacons Asatour Bedian and Vahan Hovhann.

In the afternoon a testimonial banquet will be held at the Hungarian Home, Spruce and St. Louis streets.
